RE-PLAY.

The re-play ordered with Camborne has been fixed for 24th July at Camborne, and another date given at St. Austell.

OTHER MATCHES.

TRURO v. FALMOUTH COLLEGE INSTITUTE.

Playing at Tremorvah, on Friday, Truro easily won their match with Falmouth, who, on going to the wickets first, were dismissed in about 30 minutes for a paltry 29. Half of this total was made by Broad, who was, however, missed twice before he fell to a catch by Jory, otherwise the score would not have reached 20, seven wickets being down for 6 runs. Port and Jory captured five wickets for 7 runs and three for 17 respectively. With only 30 to win, Truro opened almost as bad as the visitors. Their first three wickets, all captured by Coward at a cost of 2 runs, yielded only 9. Carlyle obtained two wickets cheaply, and half the side were out for 14. Then Bullen, who was missed off the first ball he received, became associated with Port, and the runs were knocked off without further loss. Numerous changes in the bowling were tried without effect, until Port was out for obstruction to Langdon for 19, the partnership with Bullen producing 73 runs. Vibart followed in, and stayed with Bullen until the latter had completed his century, but not before he had had another life at 96. The innings were then declared with 174 for the loss of six wickets.

On batting a second time the visitors did better than in their first attempt, putting together 70. Scores:—

WEST PENWITH LEAGUE.

MADRON v. PENZANCE.

Those who witnessed this game at Tringwinton on Saturday, saw another great struggle between these teams. Penzance came to Madron with their strongest eleven; whilst Madron lacked the services of B. Jenkin (through injury), and Smith. After nearly four hours' play the game ended in a draw. Penzance opened the batting, and several of the batsmen with the help of loose fielding (as several catches were dropped), made good scores. Milton, Bennetts and Trevenen made some big drives, and later in the innings Williams played very well. With their score 161 for eight wickets, Penzance declared. With this score to face and nearly two hours left for play, Madron had an uphill task before them, but they rose to the occasion, and when time was called still had three wickets in hand. White and Sandoe opened Madron's innings, and playing steadily, put on 20 runs for the first wicket, when Williams got through Sandoe's defence. Friggens followed and commenced hitting immediately. The score was taken to 89 when he was clean bowled by Trevenen. Three wickets now fell in quick succession, but with the arrival of Guy the game again became lively. He was hitting splendidly, when he got in front of a straight one from Thomas. Stevens followed and was caught off the last ball of the day. White remained undefeated at the close. He defended finely all through the innings and had a great share in saving his side. Friggens for Madron took five wickets for 84 runs. Scores:

CORNWALL COUNTY LEAGUE.

TRURO v. ILLOGAN.

At Tremorvah, on Friday. Cooper, who opened the home team's innings with Bullen, left with only 1 on the board; but a good partnership existed between Vibart and Bullen, and the score was raised to 70 before the latter left. Meyrick stayed with the pro. until 109 runs were up, after which wickets fell cheaply, and the innings only realised 135. Vibart played an attractive game, and hit one 6.

Evans and Roberts gave the visitors a good start, both scoring rapidly. A change in the bowling was tried, and eventually proved effective, Roberts being sent back with the score at 71. At the same time Evans left, and Carkeek and Hobbs were out at 80 and 81 respectively. Tredinnick and Chandler, however, withstood the attack, and another change in the bowling was necessitated, but before the first-named left the score had reached 128, and the result was practically certain. Tamblin partnered Chandler while the score was knocked off, when Trounce held a drive on the boundary line. The innings closed for 161, and thus left the visitors winners by 26 runs. TRURO LADIES v. TRURO GENTLEMEN.

An interesting match was played at Tremorvah, on Thursday afternoon, between eleven Truro ladies and eleven gentlemen of Truro. The game ended in a narrow victory for the ladies by one run. The conditions were that the men were restricted from using the right hand in bowling or fielding, and if this rule was broken a penalty of one run was added to the ladies' score for each offence. The men had also to bat left-handed. The ladies went to the wickets first, opening with Miss Billing and Miss L. B. Crewes. Twenty runs were registered for the first wicket. Miss Port joined Miss Crewes. Runs came very fast, the second wicket falling at 45. Miss Julian was well set, when she had the misfortune to play on, after contributing a useful 12, and Miss Truscott added 9, by powerful hitting, which included a 6. Miss Trounce, who captained the team, was cleaned bowled and Miss E. Crewes then joined Miss Port, and had the good fortune of hitting Mr. Lutley for 6, but shortly after followed Miss Trounce back to the pavilion. Miss Tremayne scored 2, Miss D. Trounce 6, and Miss Trelease 1, and the ladies declared with the score at 128 for nine. Miss Port carried out her bat for 54, her innings including 2 sixes.

The gentlemen's innings opened with Cooper and Lutley, and when 3 runs only had been scored the former was run out. Stirling followed and had the satisfaction of scoring 7, the bowling of the Misses Julian and Port being very good, both breaking considerably from the set. Kerr then joined Lutley, both hitting with great power, but good work in the long ball by Miss Billing saved many boundaries. Kerr lost his wicket for a useful 28, and Williams made a useful stand for 14. Coward found great difficulty in getting the ball away, the bowling still maintaining a high standard. Port added 17, in good style, and Ronald Trounce quickly ran up 10, when he was well caught. Scores:—

**CORNISH CHOUGHS v. HAMPSHIRE HOGS.**

**VIBART'S BENEFIT.**

Unfortunately for Vibart, the Cornish "stumper," this match, the proceeds of which were handed to him, was limited to one day, play being impossible on Friday. Rain interfered with the game on Saturday, and, consequently, only a meagre attendance watched the encounter.

Going to the wickets first, the visitors did extremely well, considering the state of the pitch, to put together 271. At one time, however, it seemed as if the total would not be a large one, for Tresawna, taking the ball from Martin with the total at 43, got two wickets in three balls. Then followed a brilliant partnership between Toyne and Capt. Crossman, and 89 runs were added before Toyne left. Both batsmen, however, had been let off. Toyne's score of 78 included thirteen 4's. With the total unaltered, Raxworthy was neatly taken in the slips by Martin, and 8 runs later, after being missed by Baker, Crossman was bowled by Tresawna. Harding and Pidcock came together with the total at 132 and were still undefeated at lunch. Immediately after the interval Harding was missed by Thomas-Peter. Both batsmen scored at a quick rate, and a change in the attack was tried, O'Callaghan bowling in place of Blackwell. On his first delivery Harding was again missed, Thomas-Peter being the offender, but from the succeeding ball Tresawna held one from Pidcock. Harding also left in the next over, when rain drove the players to the pavilion. Upon resuming, Bond failed to score, but Joy and Willett added 88 for the last wicket.

Disaster soon overtook the Choughs on batting, the first wicket going down at 15. Partridge and Vibart stayed together until the total had reached 57, when the former was bowled by Joy who had just relieved Raxworthy. Tresawna took his place at the stumps, but with 91 on the board the pro. was out to a smart catch almost on the boundary line, after making 41. Lieut. Blackwell, Martin, and O'Callaghan were all dismissed for a single each. Baker stayed with the home side for and scored 11. Both Carkeek and Thomas-Peter were out without scoring, but Blackwell kept his end up for a considerable time, while Tresawna scored freely. With the dismissal of Blackwell, the innings closed for 191, leaving the Hogs winners by 77 runs. During his innings of 72, not out, Tresawna only gave one chance viz., at 41.
