Dear Julian,

Thank you for your letter of 25th August last.

Sorry I have not written earlier.

I am very pleased to learn we have a date for the Minor Counties group annual meeting at Trent Bridge, for Saturday 27th September.

All being well, I am looking forward to attending.

Regarding the 1909 research, I posted them to Peter on the 15th August, so he should have had them well before the 27th September date. By now you will have known this;

If there is anything you need me to bring to the meeting, please let me know.

I am looking forward to see you there.

Regards, Best Wishes.

byd.

MCCA MATCH SCORES PROJECT

27th January 2015.

Dear Julian,

Firstly,please accept my sincere apologies for not writing to you earlier.

Thank you for the notes from the meeting of 27th September last.

It was also good to see and talk to you.

I enjoyed the meeting,and chatting to other colleagues,I thought it went well,and I believe we are on the, 'right track',for the future of the Minor Counties group.

I am pleased you included an up to date list,of the County statisticians,whilst on this subject,could I please be included in future in this list for Glamorgan and Carmarthenshire,as after all,I do provide some details for both these Counties.

I must admit I was disappointed to learn,that the Minor Counties Researchers,would not be receiving a copy of the 1908 Minor Counties Book.

Unfortunately,for many reasons I have not made much progress research for the 1910 Book,I have been unable to visit the Library since before Christmas,However,I have appointments for next wek,(February),and am hoping for some good results.

When will you want the 1910 details by,?.

I hope everything will improve in time.

Please keep me informed of any progress.

Kind Regards and Best Wishes
