Dear Julian,

CREASE

Thank you for forwarding the 1909 Notts 2nd XI matches scores. I worked on these with Tony Webb some years back. Unfortunately there are no extant Notts 2nd XI scorebooks pre-1914 and as is noted at the foot of the scores the available Nottm newspapers were checked. Therefore I can add nothing further to the actual statistical data. I have re-checked the identities of the Notts players. There are two I'm unhappy with - ~~C.H.Woods~~ ~~Staffs~~ ~~Stoke~~ A.C.Cutts (v Ches at TB) but can't definitely nail him, especially as there is an E.C.Cutts and an H.C.Cutts in local club cricket in 1909 & 1910; the same applies to C.H.Walker (v Staffs, TB) who also turns up as C.W.Walker in local games. Until we can obtain more proof, we'd better stay with what we have.

C.H.Woods (v Staffs, Stoke) I have located as being with Player's C.C. in 1909, so the query remains whether he appeared as an amateur or pro. I have been unable to resolve this query. He was never on Notts Ground Staff and I can't find him playing in the local Amateurs v Professionals trials of that era.

Sorry to be so unhelpful!!!
