Dear Julian,

My only excuse for taking almost a month before replying to your letter is that the Sunny Bible Society has, at long last, reached profit stage so my spare time has had to go to checking profits.

As for your letter I will try hard to produce what biographies for Baker and Waldman. It is better known to me as it will be a matter of looking at books and magazines.

Regarding the 1911 and 1912 years. I will also find time to check those and send comment to return.

Yours very truly,

Miles Keene

Dear Julian,

My much delayed thanks for your letter of 29 September.  
It arrived whilst we were visiting family in the USA, so I  
was unable to let you know in good time that I would  
not be able to make the meeting on 12 October as we will  
be going on holiday! Once the memo is over my wife, obviously  
all the enjoyments that I refuse during the summer.

As for the meeting I have little comment to make as I  
have not seen the 1907 book. Looking to the future I expect my  
views are similar to many others on Sam's concern that we  
are all getting older is the more future years we are correct,  
even if they are not going to be published at once, as it will  
not be easy to find people to take over. Looking then to the  
case with Samoy.

On a more formal point Christopher Saunders had mentioned  
in his manuscript book that the Sunny Bibliography is about  
to appear, but not for a little while.

Yours sincerely,

Moral Reaver
