Blundells responded with 235 for nine wickets, and won, amid intense excitement in the last over of the match. Cameron scored 75 and Tuncan 61.

BOHEMIANS' BATTING. GOOD DISPLAY BY CARDIFF TOURISTS AT EXETER.

Cardiff Bohemians made a creditable display in their match with Exeter Bohemians at Exeter on Wednesday, the game being eventually drawn with the score in their favour. The wicket was easy. Cardiff had first knock, and were lucky in the early stages, Evans offering a couple of catches, which were missed off Light, the Devon pro. At lunch-time the Bohemians had scored 48 runs for one wicket. After lunch the visitors forced play, Hirst especially doing some hard hitting, his 75 including a 5 and ten 4's. With other batsmen doing well, the innings was declared at 257 for six wickets. After a bad start, Exeter recovered when Ashford and Lucas came together, the former getting a 6 and two 4's off Hirst in one over. Scores:—

YORKSHIRE V. SURREY.

Result of corresponding match last year: Surrey, 80 and 69; Yorkshire, 115 and 48 for three wickets. Yorkshire won by seven wickets.

Heavy rain fell at Rhedokel on Sunday, and there was another smart shower on Monday morning. The wicket at Bramall lane was found to be very wet, and it was impossible to start the game at the appointed time. The weather kept fine until 2.45, and just as play was about to commence rain, which had been threatening for some time, came on, and play for the day was abandoned.

ESSEX V. MIDDLESEX.

Result of corresponding match last year: Essex, 399 and 276; Middlesex, 432 and 78 for one wicket. A drawn game.

Rain fell heavily in the Leyton district on Sunday, and Monday was extremely dull and threatening. So little recovery had the turf made after being under water on Sunday that play was out of the question at the appointed time. It was at first thought that play would be possible in the afternoon, but the wicket recovered but slowly, and it was decided at three o'clock to postpone the start until this morning.

TORRENTS AT LEYTON.

Result of corresponding match last year: Essex, 399 and 276; Middlesex, 432 and 78 for one wicket. A drawn game.

Commenting about 10.30, rain fell in torrents for an hour at Leyton on Tuesday, and the ground, already very wet, became drenched once more. Water lay in pools in the centre of the enclosure, and so hopeless was the outlook that as early as twelve o'clock it was decided to abandon all idea of cricket, and postpone the start of this match until to-day.

BOARD OF CONTROL FOR TEST MATCHES.

As some ignorance seems to prevail as to the constitution of the Board of Control for Test Matches and the method of selecting English teams, the following official statement will be read with interest:—

The Board of Control of Test Matches at home, beyond the fact that it was called into existence by the M.C.C. and includes its representatives, has nothing to do with the M.C.C. It consists of the President of the M.C.C. (in the chair), five of its club committee, and one representative from each of the ten first-class counties that came out at the top of the last season's list. These facts, which have been given to the public through the press from time to time, appear to have been forgotten.

Y.M.C.A. TOUR.

Mr. H. S. Smart, the Secretary of the Swansea Y.M.C.A. informs me that there are still a couple of vacancies in the cricketing party for the Devonshire tour. Arrangements can be made for gentlemen who do not play cricket to accompany the team. The total cost per head will be £3 3s. The party will leave Swansea on Saturday, August 7th by the P.S. Brighton, and will play Exmouth the same day. In the evening they will travel to Churcliffe, Newton Abbot, which they will make their headquarters. On Monday, August 9th, they will go by coach to Boocoy Tracey, play to start there at 2 o'clock. There will be a whole day match with Newton Abbot the following day. On the Thursday Buckfastleigh will provide the opposition; on the Friday there will be a whole day match with Crediton. The return journey will be made on the Saturday. It should be explained that the £3 3s. charged, includes hotel expenses, and journeys by boat, rail and coach.

D. W. CARR'S ORDEAL.

For his own sake it is to be hoped that the scintillation of D. W. Carr, of which so much has been made, is not merely meteoric but destined to endure. On making his appearance in the Gentlemen and Players match at the Oval he was judged from the normal standard and much curiosity, and his feat of taking eight wickets, unexpected as it was, has attracted so much attention that one is apt to overlook the fact that they cost 17 runs each—an average that would come rather low down in the weekly records. That there was much to commend his bowling is proved by the further confidence reposed in him by his selection for the Gentlemen's team at Lord's to-day. In this match it will be necessary to judge Carr from the highest possible standard, as it is generally understood that he will be on his trial for the next Test. His critics have placed him upon a high pinnacle, and he has to endure the trial of living up to a reputation made in advance, and built upon the novelty of an immediate success and not a triumph. The tendency to rush players into representative teams because they take the eye at the moment is calculated to inflict injustices upon others who may have the stronger claims of consistency and experience, but the case of Carr is peculiar, for he is by no means a young man, being nearer forty than thirty, and should be relied upon to keep his head in a crisis. It is not always so with younger players who jump suddenly into fame, and only too often are good men beaten by the occasion.

CARDIFF OUTPLAYED. A WELL-DESERVED VICTORY FOR NEATH.

Neath's victory over Cardiff on Saturday was fully deserved. True, there were some familiar faces missing from the Cardiff eleven, for A. Gibson, H. Risher, and Neath were doing duty for the county at Swansea, one of the Neath men, J. D. D. Davis, being similarly engaged. It had rained heavily all the forenoon, but cricket was made possible at two o'clock. Neath won the toss, and T. A. L. Whittington and Peter David faced the bowling of Freedy and T. M. Charles. Neath didn't begin well, for at 5 Peter David was magnificently caught in the slips by G. E. Cording, the bowler being Freedy. The batting of the home side improved after this. J. W. Jones played an excellent innings of 41, hitting out freely and vigorously. His total included seven 4's, one 3, and four 2's. Gwyn Thomas batted nicely for his 32, and the same remark applies to Whittle (22), Wilson and Howard Prosser (27 each), and Shuttleworth and T. A. L. Whittington (with 19 and 17 respectively). The cricket was bright and breezy, and the spectators who had faced the ungenial weather were fully repaid. The 200 was reached for the loss of nine wickets at 4.30, and then the home skipper declared. Freedy was the most successful of the Cardiff bowlers, but his six wickets cost 90 runs. F. C. Puddicombe took two for 46, and T. M. Charles one for 38.

Cardiff started fairly well, and one wicket went down for 31. Then a change came, and five were lost for 51. This was mainly due to the excellent bowling of J. W. Jones and the brilliant fielding. A. Chandicee came to the rescue, and he gave a really capital display before falling victim to a catch by the home captain. His 43 included five 4's and seven 2's. J. P. Cadogan also did his best to pull the match out of the fire, but he was caught and bowled by Whittle after he had contributed 21. The ninth wicket had fallen for 138. Cardiff's position was now hopeless, and H. Pritchard giving no trouble, their innings closed for 141, leaving Neath victorious by 50 runs. J. W. Jones's trundling was a source of great trouble to the Cardiff men, and his seven wickets only cost 61 runs. Whittle bowled well, but had bad luck in having a couple of catches misread. He took three wickets for 55. Scores—

EVEN PLAY AT RADYR.

EARL OF PLYMOUTH'S XI. AGAIN SUCCESSFUL.

The return match between Radyr and the Earl of Plymouth's XI. was played on the ground of the former on Saturday. Going first to the wickets, the home team succeeded in hitting up 80 runs. The chief contributor to the total was A. H. Lowrie, who played well, and scored 40 runs before being amply caught and bowled by Towse. Ivor Davies and W. H. Jenkins were the only other batsmen who succeeded in reaching double figures. Towse bowled well throughout the innings, and took seven wickets.

Lord Plymouth's XI. started with Towse and Prosser, but the latter made a short stay. W. Spiller filled the vacancy, and scored rapidly, but lost Towse when the total had reached 40. W. Spiller was the first batsman to find the boundary, but was caught out when he had scored 29. With two wickets in hand, the Radyr total was pared. When 117 runs had been telegraphed the last wicket fell. C. H. Davies played very prettily, but was, unfortunately, run out. Mildon hit out merrily for his 18 runs. H. Samuel bowled a good length, and secured five wickets. Scores—

LIVELY HITTING.

CAPTAIN ENGLISH SCORES A CENTURY AT FERNDALE.

A match between Mr. J. H. Brain's County XI. and the Glamorgan League was played on the Darran Grounds, Ferndale, on Monday in beautiful weather and before a large attendance. The County XI. was a most powerful one, and had arranged this match to encourage cricket in the district. H. Sweet-Escott and W. J. Bancroft went to the wickets first against the bowling of Nation and Proctor. From the outset runs came rapidly. Bancroft in the first over of the game knocked up 20, but after batting in fine style gave a catch to T. Williams when he had made 55 in thirty-five minutes. The Evans now partnered Sweet-Escott, who was playing safe cricket, but through hesitation on his part was run out. Evans was shortly afterwards dismissed by a smart catch by Harvard. G. Eilers and Captain English formed the next partnership, and runs came rather slowly. Eilers, after playing careful cricket, was out for 24 (lbw). A. Gibson now joined Captain English, and runs came very fast. At the dismissal of Gibson the captain had reached his 100, and the innings was declared closed.

The League were soon disposed of. The bowling of Creber completely non-plussed the players. Creber took seven wickets for 32, and Nash three for 15. Scores:—

NEWPORT WINEASILY.

SPLENDID PARTNERSHIP BY DIVER AND F. G. PHILLIPS.

For the match between Gloucester and Newport at Gloucester on Sunday the weather was fine, but threatening. The visitors' side, although not so strong as usual in this fixture, included three Monmouthshire County players, and Gloucester had got together a fairly strong eleven, so that some good cricket was expected. Newport won the toss, and decided to bat. C. Hows and Robinson opening the batting, the visitors' bowlers being C. Bain and Gauge. With the first ball Bain got Hows stumped, and F. Rees partnered Robinson. The score rose slowly, both batsmen playing very carefully, and at 25 C. Woolley bowled in place of Bain. With the total at 40 Robinson was bowled by Woolley with 19 to his credit. Diver followed, and the 50 went up, but at 50 Hows left, and J. Williams joined Diver, but after making a single was caught at the wicket. After lunch three came fast. Diver and Phillips playing delightful cricket. Diver was exceptionally good with leg strokes, while Phillips constantly sent the ball to the boundary. Despite bowling changes, Diver completed his 50, and Phillips followed suit in the next over from Woolley, the score now being 181. With 178 registered, Phillips was caught by Woolley off Weaver. He had hit 61 in five minutes for his 61, which included eight 4's. The partnership had reached 118 runs. Bainford and Diver now became partners, and the double century soon went up. With his score at 56 Diver played on from Bruten, after an excellent display. T. Bainford followed, but only scored a single, and the remaining batsmen did little, the innings reaching 223. Robinson, who took five wickets for 22 runs, and Phillips (three for 14) bowled with such success that the home team were all dismissed for 61, Newport thus winning by 162 runs. Scores:—

THE AUSTRALIANS' VISIT.

PREPARATIONS FOR MATCH AT CARDIFF.

What with the National Pageant and the visit of the Australian cricketers to Cardiff next week, there is likely to be a huge invasion of the city on August Bank Holiday and the two following days. This will be the third visit of the resolute Cornstalks to the Welsh metropolis, and they can safely count upon a reception that will gladden them to renew acquaintance with a hospitable and sporting community.

Mr. A. Noble, the popular captain of the Australian team, has more than once expressed a wish, and has also used his influence to have one of the Test matches played on the Cardiff Arms Park, and a proposal to that effect, when made at headquarters four years ago, was only defeated by one vote.

Everybody knows how successful the Australians have been in their test matches on their present tour, and there are thousands of people who are looking forward with eagerness to seeing such brilliant batsmen as Trumper, Bardsley, and Lansford playing for the first time on a Welsh ground.

In anticipation of a large attendance, extensive preparations have been made by the Glamorgan County Club Committee in the way of erecting stands for the comfortable accommodation of the public, and seating will be provided for about 15,000 people. There will be two enclosures at the football end of the ground, the prices of admission to which will be 3s. and 2s. respectively. For the former there is only a limited number of tickets. The ordinary charge of admission to the ground will be a shilling, and the pavilion will be reserved to the members of the County Cricket Club. The Australians will arrive in Cardiff on Sunday, and will make the Angel Hotel their headquarters.

AUSTRALIANS V. SOUTH WALES. Cardiff Arms Park, August Bank Holiday and Two following Days. Advance Enclosure Tickets (including admission to grounds) 2s. and 1s. each day (entrances opposite Fire Brigade Station), obtainable from Mr. Wm. Lewis, 22, Duke-st., Cardiff, and Mr. W. G. Boyden, 82, Colwyn-st., Cardiff. 5544

Up to date W. J. Banoroff has scored for the Swansea team alone this season 1,029 runs, which is easily a record for Wales. He has scored a century on half-a-dozen occasions. In all classes of cricket—county, club, Ac.—he has made well over 2,000 runs, which stands as an easy record for Wales. The possibility is, that with ordinary luck, he will close the season with a total aggregate of about 3,000.

NEWPORT'S GOOD SCORE.

T. B. WILLIAMS AND DIVER IN FORM AGAINST M.C.C.

The annual two-days' match between Newport and the M.C.C. was commenced at Newport on Wednesday in glorious weather. The M.C.C. eleven included Needham and Storer (Derbyshire), Overton (Wiltshire), and George Robey, the comedian. A feature of the pre-luncheon play was the faultless innings for 64 by T. B. Williams, which included eight 4's. Diver sent up the hundred with a boundary drive after seventy minutes' play. After the interval the senior pro, continued to play with extreme care. The score had been carried to 150 when Needham beat Diver off his pads. He had played a stylish innings for 57. F. G. Phillips in a dashing innings for 53 hit seven 4's. The "tall" wagger a good deal, the third century being reached before the innings closed shortly after four o'clock.

Scarcely had the visitors' innings been opened by Storer and Brinton when a ball struck the Derbyshire man's side, causing him to retire before he had scored. W. Hatterley-Smith joined Brinton, and the score was carried to 25, when the latter sent a ball to Silverlock in the slips. Newport made some blunders in the field, losing several chances. Smith played good cricket, completing a useful 39 before being smartly stumped by Allen. Major Ferguson and C. A. Cunningham made a fine stand to close the day's play. Notwithstanding several bowing changes, the score had been carried to 130 for the loss of three wickets at the call of time. Scores:-

The second of the annual two-days' games between Sir Owen Scourfield's XI. and Dr. Low's (Bridgend) XI. was played at Williamston on Tuesday and Wednesday. Blow 57, Sir Owen's team put up 141. Bridgend, with a deficit of 84 to wipe out, again did badly, making only 63. Sir Owen's team thus winning by an innings and 31 runs. Complete scores:-

CRUSHING DEFEAT OF LADY SCOURFIELD'S XI.

The Earl of Plymouth's XI. journeyed to Williamston (Pemb.) to play the second annual match with Lady Scourfield's XI. on Thursday. The visitors encamped in the grounds near the mansion, and, the weather conditions being of the best, the men had a very pleasant time. The game started early on Friday morning, and Lord Windsor, having the choice, decided to send his men to the wickets, Trevor Preece and E. R. Sweet-Escott being the first batsmen to face the attack of Powyscheck and Byng. The batsmen soon set to work, and runs came at a good pace. Preece was by far the faster scorer. Changes in the bowling were tried without result, and the century was telegraphed amid applause. Still the batsmen continued to play with ease, and the second century appeared on the board. With the total at 237 Preece was caught out, having scored 138 runs without giving a chance. His hits included fifteen 4's, four 3's, and seventeen 2's. In contrast to this E. R. Sweet-Escott played much more quietly, and when the innings was declared he had scored 96 runs, which included no less than forty-four singles. Willie Spiller was dismissed first ball, and H. E. Morgan joined E. R. Sweet-Escott. Morgan forced the game, and hit out in good style. He had brought his total to 48, which included one 6, when the innings was declared closed with the total at 304 for the loss of two wickets.

Lady Scourfield's XI. set about their formidable task manfully, Towse and H. W. Thomas sharing the bowling. Buckston and Carmichael opened the defence, and made a useful stand, the former playing very stylish cricket. A change in the attack was found necessary, and his lordship put on W. Gibson and E. R. Sweet-Escott. The wisdom of the change was soon apparent, as Buckston was caught. W. Gibson bowled excellently, and the batsmen were quickly in trouble. Sweet-Escott's "googlies" worrying them very much. The team, who had beaten all comers during the week, were all disposed of for 130 runs. W. Gibson's analysis read 24 overs, 8 maidens, 8 wickets, and 38 runs. Sweet-Escott took two wickets for 45 runs.

Morgan, G. M. Jeffreys, E. Evans, W. J. Edwards, W. A. Edwards, L. Jenkins, R. Ross, J. Croft, and Ivor Rees.

LORD PLYMOUTH'S XI. WIN RICHES MAKES UNAVAILING STAND FOR CARDIFF.

Glorious weather favoured the match on the Cardiff Arms Park on Saturday between the Earl of Plymouth's Eleven and Cardiff.

Lord Windsor won the toss, and sent in Preece and E. R. Sweet-Escott, Nash and Preece sharing the attack. The start was a disastrous one, as Preece, who has been batting well this season, was unfortunately run out before a run had been scored.

The Hon. Archer Windsor-Clive then partnered Sweet-Escott, and a fair stand was made, though run-getting was rather slow. The Hon. Archer Windsor-Clive, having played the attack, hit out very prettily, but shortly afterwards lost Sweet-Escott, who was beaten by Preece when he had scored 12. W. Spiller fell after scoring 4 to a shooting ball from Preece. When 31 the Hon. Archer Windsor-Clive was taken at mid-on by Cording a splendid one-handed catch.

Hirst and Barker made a good stand, but the latter received one of Nash's deliveries on the hand, which necessitated his retiring for a while. H. W. Thomas then joined Hirst, but after scoring a single got his leg in front. Keenill and Lord Windsor next became partners, and some pretty play ensued. His lordship hit out well, but was beaten by Nash when he had made 15. A. Keenill and Thomas made things lively for a while, but the latter was easily caught when he had made 17. O. Morgan next partnered Keenill, and a stubborn defence was offered, the score gradually rising. With the total at 174 Morgan was sent back, and the injured Nash, Barker, resumed his innings, but failed to do anything. Keenill played well, and after succeeding in getting top score, without giving a chance, carried his bat, the total having reached 172.

N. V. H. Riches and G. E. Cording were the first defenders for Cardiff. Barker and Thomas opening the attack. In Barker's second over Cording was smartly taken in the slips by Sweet-Escott, and in the main over the same bowler sent back E. Evans without adding to the total. H. G. Symonds followed, and placed Barker to the boundary twice, and then gave a sharp chance behind the wicket, which was not taken. When he had accounted for 20 runs he placed one off Barker into Keenill's hands. A good partner ship followed between Riches and A. Gibson, and a change in the bowling was made, Sweet-Escott going on in place of Thomas. Riches was let off behind the sticks off Barker's bowling, and directly afterwards found the boundary and completed his half-century. With his total at 60 his wickets were spread out by Barker. Rattenbury failed to stay, while Robinson and Marsh gave little trouble. Nash charged Sweet-Escott to the boundary, and followed this up with two more, being then bowled. The innings closed for 140, leaving the Earl of Plymouth's team victors. Score:—

A SWANSEA RECORD.

FINE PARTNERSHIP BY STANLEY REES AND H. A. ELLIS.

In their home match with Llandovery on Saturday Swansea gained an easy victory over Llandovery. Swansea won the toss, and batted first on a perfect wicket. Things looked black early for them, as the Rev. N. L. James beat Hancock with 18 only on the board, and two more wickets fell by the time 21 was reached, another quickly falling. Then, however, Stanley Rees and H. A. Ellis became associated, and things gradually assumed a brighter aspect. The two hit beautifully, after luncheon particularly, Stanley Rees scoring the faster. When the pair had been responsible for a magnificent partnership of 122, beating the previous best of 159 for the season, made by Hancock and Percy Morris. Ellis was smartly taken behind the wicket off Jeffreys. He hit in his splendid score of 87 one and thirteen 'uns. The innings was shortly afterwards declared, Stanley Rees having batted in glorious style for 132, remaining unbeaten at the finish. He hit 21 'uns, and gave only one chance in an almost faultless innings. His playing on the leg side was an object lesson.

The Llandovery men offered a feeble resistance to the splendid bowling of Maxwell and Creber. Twenty-four went up for the first wicket, when J. Morgan snicked a ball from Creber to R. Cameron in the slips. J. H. Edmunds and Conway Rees then quickly left. The Rev. N. L. James played Creber with confidence, and hit him for three 'uns, but was quite unable to do anything with the first bowler, who knocked down his middle stump. Hereafter the Llandovery players could do practically nothing, with the exception of Ivor Rees and W. A. Edmunds, and the whole side went out for 80 runs, being in a minority of 100 runs. Maxwell and Creber bowled brilliantly, the first named who has recently been in remarkably fine form with the ball, having the best analysis of six for 30, and Creber four for 40. Score:—

A TREACHEROUS WICKET.

NEATH DRAW WITH IORD PLYMOUTH'S ELEVEN.

Neath played their return match with the Earl of Plymouth's XI. on the St. Fagan's Ground on Thursday. The wicket was slow and treacherous, consequently, the play of the Neath men, who went first to the wickets, was tame and uninteresting. Upwards of three hours was taken in knocking up 174 runs, when, with seven wickets down, the Neath captain declared the innings closed. T. A. L. Whittington gave a pretty display, though he failed to make a long stay. Whittle and Gwyn Thomas caused several changes in the bowling to be made, the former eventually being run out after scoring 31. Gwyn Thomas lasted for some time longer, and succeeded in making 47 runs before being dismissed. He was certainly the fastest scorer on his side. J. D. Davies was apparently well set when the innings was declared. W. Gibson took two wickets for 61, Towne one for 30, O. Morgan one for 11, E. R. Sweet-Escott one for 28, and A. Gibson one for 23.

With just over twenty minutes left for play the Earl of Plymouth's men entered upon their task. M. R. Sweet-Escott and Preece facing the bowling of Whittle and Davies. Ready play brought the total to 35 when E. R. Sweet-Escott got run out. Arthur Gibson next partnered Preece, and the rate of run-getting improved. The second wicket fell for 31, when Preece was well caught. A. Gibson hit out splendidly and scored 38, which included seven 4's. H. H. Sweet-Escott and H. W. Thomas had a quiet partnership, seldom getting a single, though they kept up their ends, and were both not out when time was called with the total at 109 for three wickets, the match being thus left drawn. BANCROFT TO THE RESCUE. FINE STAND WITH ELLIS AGAINST LLANELLY.

The last match of the season between Swansea and Llanelly took place at St. Helen's on Saturday being wet apart for the benefit of W. J. Bancroft, the popular Swansea pro, and the most prolific scorer in Welsh cricket this season. There was a splendid gate. The wicket played well, and the weather at the start was bright and breezy, although at times threatening. Swansea went in first. Percy Morris and E. W. Jones opening the innings against the bowling of E. Gies and Morgan, the latter a Taunton man on trial for Llanelly. At the start he came off splendidly, and Swansea, owing to his bowling, lost two of their best wickets for ducks. Morris he disposed of in his second over, and Jones in the third, at this time there being only 8 runs on the board. Stanley Rees was afterwards joined by Bancroft, who was loudly applauded on going to the wicket. Rees succumbed to one of Morgan's deliveries, but not before he had added 20 to the score, which was then 38. Bancroft and H. A. Ellis made a good stand. They obtained such a mastery over the bowlers that with the score at 57 A. Lewis took the place of Gies. Each of the bowlers tried so far was left-handed. At 78 Clough was put on vice Morgan, and the score had reached 91 at the lunch interval without further loss. Bain fell heavily during luncheon, and the match was not resumed till 2.35. It afterwards had to be stopped once or twice owing to rain. Bancroft completed his century, and was then caught on the boundary by Cliff Bowen. At 217 Swansea decided to declare. Llanelly's innings was noteworthy for a splendid stand by Percy Rees, and they were able to bring off a draw, scoring 98 for four wickets. Scores—

CARDIFF'S WIN AT CLIFTON DEADLY BOWLING BY PREEDY AND NASIL.

Cardiff played Clifton on the latter club's fine ground at Durham Down on Saturday, a low scoring game resulting in a victory for Cardiff by 32 runs. The visitors had a strong side. G. L. Rattenbury, the ex-Histol Schoolmaster, man, who has played several times for Gloucestershire, being included, and it was largely due to his batting that Cardiff won. Clifton were also well represented, and had the assistance of John Tunnicliffe, the famous Yorkshire professional, who is now the Clifton College "coach. Though the weather was fine, heavy rain in the early morning had made the pitch very tricky.

Cardiff batted first, and it was at once evident that runs were hard to get. Toogood, the Clifton professional proving very deadly. N. V. H. Riches managed to run up a dozen, but Cording, Symonds, and Pritchard were dismissed cheaply. Rattenbury and Nash, however, played the right game and by hitting made the most prolific partnership of the match. Both fell victims to Toogood at length, the former having made 23, and the latter 28. How valuable their effort was to Cardiff soon became evident, for the following five wickets fell for but 9 runs, Cardiff being all out for 57. Toogood had proved splendidly, and took all nine wickets for 38 runs—a magnificent record even on so tricky a pitch.

Clifton's task did not look very formidable, for their side was a strong one with such batsmen as J. Tunnicliffe, F. G. Robinson, and D. Clark. But when these three men came out for 25, the first two being clean bowled by Preedy, it was evident the Cliftonians would have to struggle for the runs. Reins and Vernon failed, and, though Toogood stayed for a time and put together 15, no one else could make any show, and the last three men were out for "ducks." Preedy had the capital record of six wickets for 32, and Nash four for 18. Scores—

CRICKETER'S SURPRISE.

REMARKABLE ANONYMOUS GIFT TO GEORGE THOMPSON.

George Thompson, the Northamptonshire cricketer, has had a curious experience concerning the match between Warwickshire and Northamptonshire, in which Northamptonshire's remarkable run of six successive victories was summarily checked. Warwick's first innings totalled 502, and Northants got their slices into a predicament by losing five wickets for 48. At this stage of the game a young unknown man called at Thompson's house and handed Mrs. Thompson an envelope addressed to her husband who found it contained the following unsigned note: "To our George. We don't want to lose this game. We want a hundred from you, and you can do it. We will give you two shillings a wicket and threepence for every run you make." Thompson, thinking someone was joking, as he had been out of form for half-a-dozen games, put the letter aside and forgot all about it. In the two innings, however, he made 150 runs, topping the century at his second visit to the wicket, and he also dismissed three Warwickshire batsmen. Despite his fine work, however, Northants lost the match. The next morning he was astonished on finding in his letter box an envelope containing £2 3s. 6d. in hard cash, payment at the rate promised, and a note, again unsigned, congratulating him upon his performance, and expressing a regret that he did not receive better support.

DRAWN GAME AT ST. FAGAN'S RETURN MATCH BETWEEN SWANSEA AND EARL PLYMOUTH'S XI.

On a slow wicket the return match between Swansea and the Earl of Plymouth's XI. was played at St. Fagan's on Wednesday. Lord Windsor was successful with the spin of the coin, and sent to the wickets G. E. Cording and H. H. Sweet-Escott, the visitors entrusting the bowling to Pritchard and P. Morris. Both batsmen opened quietly, and played with great caution. The total had been brought to 27 before a separation was effected, when Cording was splendidly caught by Morris. The Evans failed to start, and was succeeded by Keovil, who aided Sweet-Escott in bringing up 42 runs on the telegraph-board, when the latter was beaten by Ellis. Sweet-Escott's useful contribution of 45 was the result of careful play. Keovil fell when he had made 15. H. W. Thomas and W. Spiller both accounted for 17 runs before being sent back. When Lord Windsor and P. Davison got to the wickets runs came freely, his lordship forcing the game in good style and finding the boundary a few times. When 23 he was caught in the deep field off Ellis's bowling. P. Davison gave a good display, and with the fall of his wicket when he had scored 32 the innings was declared, with the total 128 for the loss of nine wickets. H. A. Ellis was the most successful bowler, having taken three wickets for 24, Harry two for 34, Morris two for 49, Brunt one for 11, and Dr. Cameron one for 34. With upwards of two hours and a half left for play Swansea entered upon their task, Dr. Cameron and C. Johnson defending against the attack of W. Gibson and Towse. Painfully slow cricket ensued, and with only a few runs on the board the doctor was sent back. Percy Morris then joined Johnson, but little life was put into the play for some time. Percy Morris eventually got well set, and hit out splendidly at every home delivery. Johnson, however, kept on stone-walling, and it was seldom that a run was got off his bat. When time was called the game was left drawn, Swansea having lost one wicket for 31 runs. Scores:—

DINAS POWIS BEAT REV. H. H. STEWART'S BARRY XI.

The Rev. H. H. Stewart took a strong Barry XI. to Dinas Powis on Wednesday, but an interesting match resulted in the local team winning by 42 runs. The Barry combination hit up 41 runs, to which the home-club replied with one short of the century. For Dinas Powis T. Hurley was top scorer of the day with 31 runs to his credit, and P. Vivian made 29 not out. Finch was the top scorer for the visitors with 23, and for the same side Dr. Brewer was in form with the ball. For the villagers J. Collins took eight wickets for well under a score of runs.

SWANSEA WEDNESDAYS VICTORIOUS.

Swansea Wednesdays v. Swansea Y.M.C.A.—At St. Helen's on Wednesday. Swansea went in first, and scored 118, including 54 by T. L. George. This proved sufficient to win, for the Y.M.C.A., although batting well, could only make 105 all out, Swansea thus winning by 13 runs.

LLANELLY AND LLANDOVERY DRAW.

Llanelli played their last match of the season at Stradg on Tuesday, when the game against Llandovery resulted in a draw. D. M. Jones and Captain D. Hughes-Morgan opened for the visitors against the attack of Gee and Clough. Fifty runs were recorded as D. M. Jones fell a victim to Gee. Captain Hughes-Morgan was disposed of for an additional ten runs, being caught by Davies off Gee, leaving the score at 44-2-24. Gee took three wickets for 22 runs. Clough three for 24, Howell two for 20, and J. Bevan two for 22. Percy Rees and Hugh Howell opened for the home team, the former's stay being a brief one. Clough then partnered Howell, but he was out at 19 for lbw, which was a very doubtful decision. J. Morgan took two wickets for 21 runs and W. J. James two for 10. Scores:—

A CENTURY AT SWANSEA.

Swansea Wednesday v. Public School Non-descripta was played at Kilray House, near Swansea, on Wednesday, and resulted in an easy win for the Public School, chiefly owing to the fine batting of C. C. Page, who passed his century not out. The Wednesday made 105, J. A. Davies being top scorer with 32. Gee took nine wickets for 30. The Schools passed this total without the loss of a wicket.

SUSSEX V. SWANSEA.

For the first time in the history of the local club Swansea will to-day (Thursday) be visited by the renowned Sussex Cricket Eleven, who travelled to Swansea on Wednesday from Brighton. Play will commence at St. Helen's at twelve o'clock. The Sussex side will, with the exception of A. E. Reel, be at its strongest, and will be identical with that which did so well against the Australians last week. The Swansea team has been picked as follows: E. W. Jones (captain), Percy Morris, Dr. A. W. Cameron, H. A. Ellis, J. A. Davies, C. Johnson, J. Bancroft, and Stanley Rees, with Creber, Hancock, and Maxwell. With popular encouragement the future may become an annual one.

CRAWFORD'S DISMISSAL, HIS CORRESPONDENCE WITH THE SURREY CLUB EXECUTIVE.

J. N. Crawford has sent to the "Standard" some correspondence between himself and the Surrey Club Executive.

On July 15 Lord Alverstone wrote to Crawford:—

The committee have learned with deep regret of your refusal to captain the Surrey Eleven to-day and the reason you gave for refusing. The committee feel that until you send to Leveson-Gower an expression of your regret and an apology for your refusal to play to-day, you cannot be invited to play for Surrey.

Crawford replied on July 17:—

I do not understand your letter. I merely declined to accept the responsibility of skippering a team v. the Australians which did not include Rushby, Lees, and Davis. I do not know who was responsible for the selection of the second-eleven-sort-of-team furnished up for such an important match, but I apologized to the Australians for it and explained my reasons for standing down. There seems to be some impression amongst a few of the Surrey Committee that I am some young professional instead of being a young fellow who has had an experience of cricket that has seldom fallen to the lot of anyone, and my request for an alteration of the team last Thursday should have had some weight.

After other letters, Crawford wrote on July 23 refusing to make an apology, demanded in the "stand-and-deliver" style. Other letters follow, and, finally, there is the letter of dismissal from the Surrey team sent by the committee.

DEADLY BOWLING.

BARRY DISMISSED FOR 28 RUNS AT CARDIFF.

With cricket and football matches in progress in adjoining fields, well might a visitor to the Cardiff Arms Park on Saturday have hesitated to consider what season of the year it really was. Whilst the Rugby teams were having their first run with the winter game, cricketers were squeezing out the last pleasures of their summer code. The visitors on this occasion were the Barry eleven, who found the Cardifians too strong a batting lot for them. Against the deadly bowling of Nash and Chandless Barry were only able to make 28 runs, whilst Cardiff responded with 74 runs. Horner and Harold shared the bowling for the visitors. Scores:—

CHAMPIONS OF GLAMORGAN

PONTYPRIDD EASILY GAIN LEAGUE HONOURS.

Much interest was centred in the match between the home team and Pontypridd at Ferndale, as it decided the championship of the Glamorgan League. Pontypridd arrived two short, while Ferndale were at full strength. The homesters batted first, to the bowling of John and Hughes, and they were all dismissed for 41. Their chance of retaining the shield thus looked far from rosy. The visitors opened none too well, and it was not until Nation and Bert Hughes became partners that the former (the captain) made the winning hit with a boundary. Shortly afterwards he was brilliantly caught in the long field by J. Richards, soon afterwards the game was declared closed, with a score of 124 runs for five wickets, making the visitors easy champions for a twelfth month. Scores:—

WHITCHURCH NARROWLY BEATEN BY BOHEMIANS.

The visit of the Bohemians to Whitchurch concluded the villagers' season. The homesters could only blame misfielding for their defeat by the narrow margin of 5 runs. CARDIFF CLUB RECORD.

BATTING AND BOWLING AVERAGES FOR THE SEASON.

Cardiff Cricket Club closed the season on Saturday with a sensational performance against Barry. The season has been a successful one, considering the inclement weather experienced. There has been but one century scored, and that by E. E. Hill—100 not out against Bridgend—this being his only match. N. V. H. Riches again leads the batting averages. The club had a list of 23 fixtures, of which ten matches were won, four lost, and six drawn. Neath failed to send a team to Cardiff, and at Bridgend, against Clifton at home, and Penarth away there was not a start attempted through the inclement weather. Cardiff scored 2,700 runs for 142 wickets, at an average of 19.2, their opponents making 2,175 for 182 wickets, at a cost of 13.62. Chief bowling honours, of course, fell to Nash and Preedy, the former taking 70 wickets at a cost of 9.6 per wicket.

Of the seventeen matches played the second team won eight, lost four, and five were drawn.
