COUNTY CRICKET.

BERKSHIRE v. SURREY II.

Berkshire's first home match of the season was commenced on Monday and terminated early on Tuesday in an easy victory for Surrey by an innings and 161 runs. The attendance was just a fair one on Monday, but on Tuesday the gate was miserably small. It is evident very few people were aware of the fixture. There is no need to dilute upon the match beyond writing that what good luck there was went the way of the visitors. Scores, etc.:-

BERKSHIRE v. SURREY 2nd XI.

The return match in the above Championship was played on the Reading and District Amateur Sports' Club ground at Reading, on Monday and Tuesday. The home county gave a poor display, and on the opening day the visitors practically made certain of victory. In the end Surrey won easily on Tuesday by an innings and 101 runs. Full score:

BERKSHIRE v. SURREY 2nd XI.

Berkshire made several changes in the team which opposed Surrey 2nd XI at the Amateur Sports Ground on Monday and Tuesday, the team being on paper the strongest Berkshire has put in the field this season. Unfortunately Hawkenorth, who bowled so stoutly against Bucks, was again an absentee

and winning the toss Surrey scored at a very rapid rate. J. E. Jewell, who was top scorer for Surrey with 154 to his credit, was badly missed in the slips by F. E. Rowe before he had scored, and subsequently gave three chances. Abel gave a faultless display. At the close of the first innings on Monday Berkshire were 524 runs behind. Sir C. Y. Nepean was top scorer in the second innings on Tuesday morning with 61 to his credit, the innings closing at lunch-time for 100. Surrey thus won by an innings and 164 runs. Scores—

Berkshire Failures.

Things have not gone well with Berkshire in their home engagements, and both Surrey II. and Dorset have won easy victories. Neither in batting nor bowling are the Berkshire of to-day comparable with the time not long distant when G. O. M. Bennett, the Collinses and Barker were in their prime, and placed the Royal County in a flattering position in the table. We must therefore wait for better results till the younger generation of cricketers are sufficiently experienced to cope with the clever bowling of other counties. In this connection the displays of A. P. Strange have been very encouraging.
