AJW – 20 OCTOBER 2011

THE CRICKET SEASON.

PROSPECTS OF LOCAL CLUBS.

Hurrah! Spring has arrived. And with it the cricket season. For already cricketers have in most cases reassembled the implements with which they hope to pile up centuries or send fear into the hearts of batsmen and sought out the lil white—which might be mistaken for a weak pun on Lillywhite—garments, which, coupled with their devotion to the pastime, has gained for them, from the pen of a Poet, with a capital "P," the libellous designation of flannelled fools. Flannelled fools or muddled exes, and notwithstanding poetical onslaughts, cricket maintains its position as the best and purest of English national pastimes, and so will it continue to stand as long as it is played in the spirit of manliness and true sportsmanship, which one is glad to think is the main characteristic of those who engage in it.

This claim that cricket is the best of national games does not escape the reputation of the football enthusiast, who looks for the more vigorous winter game as doing his perceptions. Look, says he, to the thousands whose interest is attracted by football, outnumbering as five to one or more those to whom cricket makes a greater claim. Yes, compare the thousands whose idea of a national pastime is to watch eleven or fifteen others kick about a bottle of wind, with the gates which cricket matches attract, if you like, and what then? The real test is to compare those who actually take part in each game, and measured by that standard, in comparison with cricket, football, despite its thousands upon thousands of "followers," has hardly any claim at all to be regarded as a national pastime, in the North of England, at any rate. In Ossett, for example, there are probably twenty clubs, some with two elevens each, and in Horbury more than half as many more. How many football clubs are there?

Having thus ascertained that the cricket season is here, then comes the question. What has it in store? What are the prospects? Well, the cricketer is optimistic. He is as hopeful as if he had spent the winter dreaming of hills into the next field, runs that came fast and furious, or bowling which would be irresistible to the finest batsmen in creation, and has wakened up in the belief that it is all coming true. It comes natural to the cricketer to expect a good season, and to look ahead through rosy spectacles.

OSSETT CLUBS.

THE OSSETT CLUB.

In the case of the Ossett Club at least there is substantial reason for this hopefulness, for well as the club has done in the last few seasons, excellent as has been its record—despite a few unexpected slips between the cup and the lip, which after all are the spice of the game, though the spice is sometimes too hot to be pleasant—there appears to be no reason why the coming year should not be equally successful. The club, now, as may be said without extravagance, one of the foremost clubs in Yorkshire, is in every sense in a strong position, except that the finances are not so healthy that the curative effects of the bazaar which is to be promoted are unnecessary. This state of affairs in regard to finances is hardly surprising. A club which in a very few seasons has spent a round thousand pounds in improvements and extensions would indeed be in a strong position if in that short time it had raised the whole of the money, and were not on the wrong side of the account to the extent of £150.

In regard to the constitution of the eleven, this will be slightly changed, but not, we think, for the worse on the whole. The loss of J. Megson is a serious one to the batting strength, and in leaving Ossett for Featherstone he took with him the good wishes of everybody—including the wish that he left behind him his fatal predilection for the pull, which alone has stood between him and much greater success than he has attained. In his place, however, a sterling batsman, though not so brilliant a fielder, has been secured in G. Pollitt, of Chickenley, who a couple of seasons ago with R. Bailes made a pair of first wicket batsmen who oftener than not made a grand start for their side. There is one more new-comer, who will strengthen the eleven in a weak spot. The club has been fortunate in enlisting as wicket-keeper Plowright, of Idle, who for the last two seasons has played with Bradford, and has been considered good enough for a place in the county second eleven, two credentials which should place his capabilities beyond all doubt. In addition to his keeping abilities he is said to be a batsman of the vigorous sort, who is at any time liable to rush up the score. With these exceptions—Pollitt vice Megson, Plowright vice Spurr—the eleven will, according

to present appearances, be the same as last year. The bowling department may safely be entrusted to Radley, Denton and Pepall. The first two for a couple of seasons have been the most successful pair of bowlers for miles—leaving out the fact that last season they, also, headed the batting averages, which post of honour Denton occupied also the season before—while Pepall, though the least successful of the three last year, bowled at times with terrible luck.

On paper the team is strong in batting. L. Whitehead, who is the captain, H. Giggall, H. Denton, G. Pollitt, A. E. Glover and J. F. Radley are the foundation of the scoring department. But there are others. L. Wilkinson scored 119 in four completed innings last season, and F. Armitage is a promising batsman who should develop considerably, while Pepall proved himself to be a batsman of whom the best was seen when his best was more needed. So that if the fielding is only equal to the batting and bowling—and on the whole it was not unsatisfactory last season—the eleven should be a strong one all round. But it has a strong list and a long list of fixtures to tackle. The opponents are just the strongest elevens in all Yorkshire. It is a better list than last year by the inclusion of Skipton, who, thanks to Morley and Moss, won the Yorkshire Council, with Ossett a close second. And let us congratulate the Ossett Club upon so far forgetting that unpleasant incident as to again arrange fixtures with the Morley rivals. The past is past, and the battles that are to fight are of more importance than those that have been fought—especially when they are with such formidable opponents as Hull, Harrogate, Skipton, Wakefield, Sheffield, Leeds, Bowling Old Lane, Halifax, to name only a few. Let Ossett keep ahead of these, and bring off the double event by winning the Heavy Woollen Cup and they can afford to forget so much of the past as is not worth remembering.

CHICKENLEY C.C.

Unfortunately the Chickenley Club is still below par, and the prospects are none too rosy, however hopeful one might be. Last year the eleven was much weaker than it had been during all the years that Chickenley had held their position as one of the strongest clubs in the district, and this season it does not promise to be much better. One of the best batsmen, G. Pollitt, has joined the Ossett club, and F. Haley, the young slow bowler who was of considerable service last year, will figure in the Dewsbury and Savile team. The loss is no small one. There is, however, some consolation in the return of the professional, R. Bailes, a sound all-round cricketer, and Whiteley. With the exception of these changes the eleven will be the same as last year, so far as we can gather; and if they manage to reach a respectable position in the Yorkshire Council matches and gain some success in the cup-ties it will be the more to their credit that they have no big array of paid men. There are said to be a number of young players, who promise in the years to come to materially strengthen the premier eleven.

SOUTH OSSETT PRIMITIVE METHODISTS.

The Primitive Methodists of South Ossett will open their season's operations with optimistic feelings. The team promises to be satisfactory. They have lost the services of W. H. Wilby, a good all-round player, who has gone to Horbury, and W. H. Ward, a promising young bowler, has transferred his services to South Ossett Wesleyans, but with these exceptions all last year's players are available, with the addition of Green, who returns from Old Roundwood to his old club. The captain is the wicket-keeper, Ralph Grace, who is also a reliable bat, and Walt Wood is the vice. There are also two or three ambitious youngsters, who will be given a trial. A capital list of fixtures has been arranged, commencing with Ossett Temperance on the Park-square ground to-day (Saturday). Their opponents include most of the Ossett junior clubs, East Ardsley M.C., Outwood M.C., and for the first time the following clubs: Sandal End, Flanshaw Congregational E. Green and Sons, Horbury and District Railwaymen, Outwood Adults and Wakefield Christ Church. They have again joined the Horbury and District Cup Competition, and are drawn to meet Durkar in the first round.

FLUSHDYKE BETHEL CHAPEL.

The members of the Bethel Chapel C.C. will begin the season in earnest, for the members have taken advantage of the unusually favourable weather of the last few weeks to get in more practice than is possible so early in the average year. There is no dearth of members from whom to select the eleven, and the latter will be captained by B. Townsend, with G. A. Stevenson, one of the mainstays of the team, as his "understudy." The matches will be mainly with local clubs.

SOUTH OSSETT WESLEYANS.

The South Ossett Wesleyans will run two teams during this season, which suggests that they have plenty of playing members at home to have a turn at piling up big scores. Home and home fixtures have been arranged with most of the local Sunday school clubs, namely, South Ossett Primitive and Baptists, Flushdyke Bethel, Ossett Green Institute, Ossett Temperance Hall, New Scarbury Adult School, Horbury Wesleyans, Outwood Wesleyans, Outwood U.M.F.C., Thornhill Edge and Thornhill Lees Wesleyans. They will take part in the Ossett and district cup competition, and have been drawn to meet South Ossett Baptists in the first round. With J. Peaker as captain of the first eleven, and J. Talbot and F. Naylor captain and vice-captain respectively of the second string, they hope that by the end of the season that is just opening they will have given a sufficiently good account of themselves as to be satisfied with their record.

OSSETT GREEN CONGREGATIONAL C.C.

The newly-formed Ossett Green Congregational Club begin the season today, when they play Flushdyke Bethel Congregational at Flushdyke. The club commences upon its career with bright prospects. It possesses a large number of members anxious to play, and anxious to "put up" a good fight for the medals offered in the Ossett and district medal competition.

HORBURY CLUBS.

HORBURY BRIDGE ST. JOHN'S.

The old established Horbury Bridge St. John's Club continues its career as successfully as ever. A couple of teams, composed largely of the same players who have been connected with the club for the past few years, will occupy the ground at the bottom of Storrs Hill-road from week to week, all fixtures, with the exception of those with Denby Grange Collieries, Netherton and Ossett 2nd, being of league or cup importance. It is the Wakefield and District League with which the club is affiliated, the fixtures of both teams being arranged under its auspices. The premier eleven also figures in the Wakefield and District cup-ties, and entertains Midgley, at Horbury Bridge, in the opening stage of the contest. The usual match with Netherton has been arranged for Horbury Bridge fast Monday. Mr. G. Wood is the skipper of the premier team, and Mr. Joe Fallas will have charge of the second string. The season opens next Saturday with a first team match at home against Whitwood, and among the other teams to be played during the season are Crigglestone, Lofthouse, Dorton, Rhodes and Sons, Old Roundwood, Thornhill, East Ardsley and Carlton. There is a good membership of the club, and the ground is in capital condition.

C. ROBERTS AND CO.

The club associated with Messrs. C. Roberts and Co., Ltd., railway wagon works, Horbury Junction, has arranged a full fixture card for the approaching season. Under the captaincy of Mr. T. Griffiths, whose vice is Mr. H. Charlesworth, the team is looking forward to demonstrating its abilities against such clubs as Flockton, Thornhill Edge, Messrs. Green and Son (Wakefield), Midgley, Thorne's St. James, Bretton, Wakefield St. Michael's, Messrs. Archer, Ritchie and Co., and others. Following the usual custom the club has entered the Wakefield and District Cup Competition, and is drawn to meet Outwood Church, on the latter's ground, in the first round of the cup-ties. The club is in a sound condition, financially and otherwise. Mr. Gray has been unanimously re-elected to the presidency.

HORBURY RAILWAYMEN'S C.C.

The Horbury and District Railwaymen's Club is a newly-formed organisation, comprising railway servants in the Horbury district, and the ground is at Horbury Bridge. Most of the members have hitherto been associated with other clubs in the district, and it is expected that a good team will be raised. Mr. A. Warner, a former member of the defunct Hodgson and Simpson's club, has been appointed captain of the team, while Mr. J. Chappell fills the double role of vice-captain and secretary. The Horbury and District Cup Competition has been entered, but the club have byes in both the preliminary and first rounds of the contest. Matches have been arranged with Wakefield Railwaymen, Netherton 2nd, Durkar, South Ossett Primitives, Ossett U.M.C., Flusdyke Bethel, Wakefield St. Austin's, Crigglestone 2nd, Thorne's W.M.C., and the Rev. A. B. Browne's eleven. The season opens to-day (Saturday), with a match between the captain's and vice-captain's teams. Mr. F. Law is president of the club.

HORBURY TRADESMEN'S C.C.

As usual, Horbury Tradesmen have arranged a good list of cricket matches for the Wednesday half-holidays. With the exception of Jim Wright, who through business reasons will be unable to assist the club, the team will be much the same as that of last year. Mr. A. R. Briggs is the president, and will take part in the matches, while the posts of captain and vice-captain are capably filled by Messrs. T. K. Gledhill and J. Armstrong respectively. The matches are of a friendly series, and include two charity games with the Lower Agbrigg Division of the W.R. Police and the Horbury Railway Servants. A second team is being run. The clubs to be encountered, in addition to the two mentioned, include Wakefield Y.M.C.A., Mirfield College, Wakefield Co-op., Normanton Tradesmen, Huddersfield Wednesday, Wakefield P.O., Messrs. Roberts and Co., and Archer, Ritchie and Co. Low Park will again be the venue of the home matches.

OTHER HORBURY CLUBS.

Two Saturday clubs are sharing the Low Park with the tradesmen—Messrs. Archer, Ritchie and Co., Ltd., and the Horbury Wesleyan Sunday School. The latter club, of which Mr. George Ward is captain and Mr. Arthur Ward lieutenant, meets most of the local junior clubs in the district. The club associated with Messrs. Archer, Ritchie and Co.'s (Ltd.) Mill, at Horbury Junction, has been in existence for several years, and is very popular among the employees of the firm. This year a few fresh players are included in the team, which will be captained by Mr. L. E. Spain, whose substitute will be Mr. G. H. Audsley, the club secretary. Honours are to be sought in the Horbury and District Cup Competition, and Wakefield St. John's are to be encountered in the first round, at Wakefield. The opening match takes place to-day week.

NETHERTON C.O.

The customary enthusiasm is manifested in the Netherton Club, the members of which are looking forward to a successful season. A couple of teams will take the field, the premier eleven being officered by Messrs. F. Audsley (captain) and R. G. Hardcastle (vice-captain), while similar posts in the second team are held by Messrs. W. Fallas and J. H. Crowe. Several of the matches of both teams are to be played under the auspices of the Denby Grange and District League, which is newly-formed, and the first team have joined the Wakefield and District Cup Competition, being drawn against Wakefield County Hall, in the first round, while the second team play Wakefield Railwaymen in the opening round of the Horbury and District Cup Competition, both matches taking place at Netherton. The first team's fixtures include matches with Ossett 2nd, Thornhill Edge, Horbury Bridge, Midgley, Bretton West, Newmillerdam, Denby Grange, Flockton, Grange Moor, and other clubs.

*League Matches.

SATURDAY'S MATCHES.

NOTES.

Ossett U.M.C. have started in rare form, whatever may be their prospects for the rest of the season. Early season form is apt to be misleading, but it is none the less a little encouraging to start off with a couple of decisive wins, both of which were secured during the Easter holidays. On Saturday they played ducks and drakes with Ossett Baptists, and on Tuesday in an equally workmanlike style they polished off Ossett Parish Church. These matches were a triumph for Derry and Westmoreland, especially the last-named. Their side batted first in the match with the Baptists and made 62, and it was the two players named who bowled out their opponents for only 27. Then on Tuesday, playing twelve a-side, the U.M.C. scored 74, of which Westmoreland claimed 29, and then he and Derry again came into destructive action with the ball, dismissing the Parish Church eleven for 36. In the two matches together the bowling figures look like this:—

H. Westmoreland	O.	M.	R.	W.
C. Derry	16.5	1	41	13
	17	9	14	7

That looks like business, anyway.

YORKSHIRE GENTLEMEN v. NORTHERN COMMAND (12 a side).

This two days match was begun yesterday, on the ground of the former at York. Delightful weather prevailed, and the wicket was a perfect one.

The Command batted first, and in three hours and 20 minutes ran up the huge score of 407 for six wickets when they declared. Two of the batsmen topped the century, but they were materially assisted in their efforts by the weak bowling and inferior fielding of the county gentlemen, several chances being miswed. When stumps were drawn for the day the Yorkshire Gentlemen had scored 127 for three wickets, E. J. Radcliffe being not out 61. Present score:—

DEATH OF AN OLD HUDDERSFIELD CRICKETER.

Mr. Charles Henry Bradley, who died at Huddersfield yesterday, at the age of 79, was many years ago one of the most prominent cricketers in the Huddersfield district, and he took an active part in the game for nearly half a century. Beginning his career with the United Press Club, he came into prominence about the age of 25, and took part in every match between players of the Huddersfield district and All England, and in 1856 was one of the Huddersfield and Dalton 22 in a match against All England, in which Geo. Parr scored 99 runs. In the following year he was one of the Huddersfield team of 20 who beat England at Huddersfield and batman, and was the possessor of an excellent fielder and batsman, and was the possessor of over a dozen silver-mounted prize bats. He played cricket till he was 60 years of age. His interest in athletics was inherited by his three sons. Mr. C. A. Mr. J. W. successful on the running track, especially Mr. C. A. Bradley, who, for four years in succession, won the 100 yard championship of the Amateur Athletic Association. For many years Mr. Bradley was a successful oil and soap merchant, and latterly became proprietor of the Adegas Tavern and Billiard Rooms, Huddersfield.

KEIGHLEY TROUNCE HARROGATE.

Giving a fine all-round exhibition of batting and following that up with good bowling and smart fielding, Keighley were able to trounce Harrogate at Lawkholme on Saturday. Batting first, the visitors opened badly, for with only a single scored Moulton gave a tame return to Drake which was accepted. Morley and Foulds, and some very slow scoring was seen. The Keighley captain, after being taken twenty minutes to score six, was well caught at point by Dunnington and Drake. Two wickets for 14 hardly seemed over a decent score, but with Morley and Moorhouse at the wickets a complete change came over the game, and for long time the Harrogate bowlers were useless. Both batsmen played steadily at first, but afterwards runs came freely. The bowling of the Harrogate eleven, too, was

of first-class quality, over-eagerness was many a run. Several bowlers were tried, but these had no effect on the batsmen, both of whom appeared thoroughly set. Moorhouse scored more quickly than his colleague, and a race for the fifty was in prospect. Morley was, however, the first to get there, and five runs later he was hardly run out in attempting a second run. His innings of 55 was marred by even the slightest fumble, and included many good strokes around the wicket. Twenty-eight of his runs were obtained by boundary strokes, and Moorhouse had shared the most productive partnership seen at Lawkholme in a very long time. Between them the two players had taken the score from 14 to 104—thus adding 96 runs—in just over an hour.

With Sellers and Moorhouse at the wickets the rate of scoring increased, chiefly through the efforts of the former player, who was the first to leave with a sparkling 30 to his credit—obtained in fifteen minutes. Hyndson, who was playing his first game on the Lawkholme ground with the senior team, next appeared, and with 163 on the board Moorhouse was smartly caught low down at the slip by Drake off Hurst. He had been batting eighty minutes for his 56 runs, and apart from a "life" he received very little chance. Until he got into the field Moorhouse had scored freely, but just near the half century he became very anxious in his evident desire to score his first fifty for Keighley.

Hyndson and Riley made matters lively for the fielders, and between them added 75 in ten minutes, Riley being then bowled by Drake for 12. Hyndson left behind only four added, having played a good innings for 24. Hyndson is proving a very valuable recruit. He has played for Keighley four times this season, his scores being 45 (not out), 5, 27, and 24. Judson failed to score, but Wildman and Dolphin took the total to 226 before being separated. Dolphin scored a dozen, but he was very lucky, as he had been missed twice. The scoring was by no means reticent. The scoring for Patefield helped Wildman to put on 16 for the last wicket, eleven of his runs being credited to the former. Wildman, at the close, was not out for 24. He had played a sound defensive innings, and 16 of his runs were obtained by boundary strokes.

As will be imagined, the Harrogate bowlers suffered considerably. Drake, the Yorkshire second bowler, was the most successful, taking five wickets at a cost of just over 22 runs each. He bowled well throughout the innings, being never easy to play, although his figures do not give him much credit. Hurst was the only other bowler to capture any of the three victims cost exactly wickets, and his three victims cost exactly 22 runs each. Four other bowlers—Dunnington, Redfearn, Lund, and Brasington—were tried without success. The score at the fall of each wicket is interesting:—

1	2	3	4	5	6	7	8	9	10
14	46	54	55	56	62	66	68	73	75

Redfearn and Lund opened Harrogate's reply to the bowling of Riley and Patefield. The pair gave Harrogate a very good send-off in their efforts to play for a draw, as they were together half an hour for 24. Redfearn was then smartly caught by Judson in the slips off Riley for 16. The next corner—Tattersall—shared with Lund for twenty minutes, during which time the score was carried to 56. Patefield then brought off a good catch in the slips off Riley, thus disposing of Tattersall for 10. Eight runs later Lund was smartly run out, having put up a resolute defence for an hour for his 23 runs. Three wickets were now down for fifty-four, and after this the Keighley bowlers

practically carried everything before them. Drake was dismissed at 55, and Kirby a run later. The latter was out to a very good catch by Sellers at mid-off off Riley. After this wickets fell quickly, and as the last six wickets added only eighteen runs, the side was disposed of for 73, Keighley winning by 169 runs.

Riley and Patefield shared the attack throughout the innings, the former bowling with great effect, as is shown by his tally of seven wickets for twenty-four runs. Indeed, in his last six overs he cap-

tured five wickets at a cost of only four runs. He was greatly indebted to the fielders, three of his wickets being obtained by really good catches. Patefield's two wickets cost 44 runs. The Harrogate wickets fell as follows:—

1	2	3	4	5	6	7	8	9	10
24	46	54	55	56	62	66	68	73	75

As a result of his splendid bowling performance in taking seven Harrogate wickets for 24 runs, Harry Riley has been awarded the weekly bowling prize of £2 10s by the "Leeds and Yorkshire Mercury."

BINGLEY DRAW AT DEWSBURY.

Some free scoring was seen on Saturday at Dewsbury—where the "Throstles" furnished the opposition—as during the afternoon 308 runs were scored for the loss of twelve wickets. Even then no definite result was arrived at, and the match ended in a draw slightly in Bingley's favour. Dewsbury with 174 on the board for the loss of seven wickets, declared their innings closed. For the home team Oldroyd played a fine innings for 66, while Halsey gave a sound display of batting for his half century. Midgley also played a valuable innings of 30. Bingley commenced their reply in no very promising fashion, as Widdop was dismissed early on. Ackroyd and Moller by sound defence steadily improved the score, and between them added 53, Ackroyd's share being 31 and Moller's 22. Tetley and Paget only added a single each, but Duffield and Collier defied the Dewsbury bowlers, and when time was called each had 32 to his credit without having been beaten. As there were five wickets to fall, and as Duffield and Collier appeared thoroughly set, it must be admitted that time probably robbed Bingley of their first Council victory.

WEST BRADFORD LEAGUE.

As Harden had a blank day on Saturday, and as Ingrow fulfilled expectations in gaining full points out of their engagement with Riddleden, the Keighley team now occupy the premier position in the First Division of the above league. But they are only two points in front of Harden and Haworth Parish Church, and the former club have a match in hand, so that the championship is still a very open question. At the other end of the table, Riddleden and Mountain Mills have yet to obtain their first victory, the former club having taken five points out of a possible twenty, and the latter four out of eighteen.

Ingrow, as expected, gained an easy victory at the expense of Riddleden. The latter club are still weak in their batting, and until this defect is remedied, no matter what strength they have in bowling they cannot hope to materially improve their position. On Saturday they were all dismissed for a paltry 47, the only players to reach double figures being P. Tetley (14) and Hardisty (10). For Ingrow, Simpson took four wickets for only seven runs, while Best captured a like number for 20 runs.

Mountain Mills at home on Saturday suffered their fifth defeat of the season at the hands of Oxenhope Wesleyans, who are now fairly well placed in the league. Thanks chiefly to a well-played innings for 48 by Maude, the visitors were able to total 116. Only three other players—F. Greenwood (15), Feather (14), and J. W. Greenwood (12)—reached double figures. For Mountain, Bennett took four and Walmsley three wickets. Owing to Kemp (11), Parkinson (14), Heap (21), and Bennett (27 not out) giving the home side a good start, Mountain looked to have every chance of scoring their first league victory, but the later batsmen failed altogether, and the total only reached 102.

BRADFORD TO JOIN THE BRADFORD LEAGUE.

An Interesting Development.

For some time past the committee of the Bradford Cricket Club have had under consideration the advisability of renewing their application to join the Bradford League. As the outcome of various debates in committee it was decided to approach the committee of the Bradford League, and the local league convened a special meeting to hear Bradford's application. After hearing the arguments advanced by the deputation the Bradford League Committee agreed to admit the Bradford Club next season.

It will perhaps be recalled that a few years ago Bradford made a similar application, but a difficulty then arose with respect to the registration of the players. This difficulty is now likely to be overcome by registration on the same lines adopted by the Leeds club, who play not only in the Yorkshire Council but also in the Leeds League. The Bradford club will not cease membership with the Yorkshire Council, and will continue in association with that body and also with the clubs in the newly proposed league run in conjunction with the Yorkshire Council.

One of the reasons why Bradford have sought membership of the Bradford League is in consequence of the lack of support accorded to the home matches in the Yorkshire Council. The receipts have been most disappointing, especially when it is taken into consideration that up to the present Bradford maintain an unbeaten record in the Council, and have a reputation for playing very sound and sportsmanlike cricket. With the changed ideas governing the various sections of the Bradford club, the cricket section has perforce to look on the financial side of the picture. It is hoped that in the future the local rivalry in the cricket world will stimulate the cricket-loving public to pay more regard for the premier team in the city.

MINOR COUNTIES' MATCH AT KEIGHLEY.

YORKSHIRE AND NOTTS SECOND
ELEVENS.

THE HOME TEAM DEFEATED.

The return match between the Yorkshire and Notts Second Elevens, in the Minor Counties' Championship Competition, was played on the ground of the Keighley Club on Monday and Tuesday last. The Yorkshire County Cricket authorities have for many years overlooked the claims of the Keighley Club when allocating fixtures, and their action in selecting Lawkholme Lane as the venue for this important encounter was highly appreciated. We doubt, however, whether the attendances realised expectations, and feel pretty certain that the financial result of the match must be anything but satisfactory. On Monday, when play opened, the sky was overcast and a chilly wind swept the ground, probably keeping many away who would otherwise have enjoyed a full day's interesting cricket. Better things were hoped for on Tuesday, in view of the tradesmen's half-holiday, but an unexpected collapse in the Yorkshire batting saw the gates over within an hour after luncheon, when large numbers of would-be spectators were making their way to the ground. The fault in no way lay with the officials of the Keighley Club, who had made all the arrangements possible and saw to the comfort of everyone—particularly of the Press—in a manner worthy of commendation. The appearance and general condition of the ground came in for a good deal of favourable comment, which was well deserved. The wicket was as good as any the Second Eleven will play on for some time, and was a credit to Widdman and his assistants, who had spent much time in its preparation.

YORKSHIRE OPEN WELL.

The match was one of considerable significance in the Minor Counties' Championship. The Yorkshire Second team had by a series of clever victories gained a strong position, and if they could have turned the tables on Notts—who by the way, inflicted upon them their only defeat of the season by ten wickets in the earlier fixture—their chances of premier honours would have been very rosy. Unfortunately they had to take the field without Broadbent and Hardisty, both of whom were called to Sheffield to assist Yorkshire against the Australians, and their places were filled by the inclusion of Rudston (Hull) and Grimshaw (Bowling Old Lane), while Mr. R. W. Frank took charge of the team in place of Mr. Geff. Tattersall. Dolphin, whose career with the county is a matter of the keenest interest to the Keighley Club's supporters, was included in preference to Watson. Winning the toss Yorkshire commenced with Rudston and Grimshaw, who faced the bowling of Riley and Barnes. The start was by no means promising, for with the score at 5 Rudston played a ball from Barnes into the hands of Riley at short-slip. Turner assisted Grimshaw to add 26 for the second wicket, when the latter batsman nibbled at a fast rising ball from Iremonger and was well taken in the slips. Richardson then joined Turner in a profitable partnership which carried the score to 77, at which figure Iremonger, who was keeping an excellent length, had Richardson caught and bowled for a cleverly compiled 30. Nine runs later Turner also fell a victim to the Notts County goalkeeper, Armstrong bringing off a clever catch in the slips when the batsman had reached 32. Booth and Oldroyd caused the century to be hoisted after an hour and forty minutes' play, but with the addition of 9 the Pudsey player was caught off a wretched ball from Crawford, who had relieved Iremonger. Oldroyd's delightful innings was brought to a close at 36 by a clever catch in the slips by Armstrong, off Iremonger, with the total at 153. Frank, Harrison, Dolphin, and Brown all failed to get going, and the innings, which lasted two hours and a-half, closed for 195. Drake carried out his bat for a fine innings of 41.

NOTTS BEHIND ON THE FIRST INNINGS.

The Notts innings commenced inauspiciously, Worsall being bowled by Drake without scoring. Iremonger and Lee put on 41 before the former was caught in the slips off Booth, who had relieved Drake. The outgoing batsman's score of 20 included a big drive into the football field for six. Three runs later the Booth-Brown combination accounted for Lee, who singularly enough, had also reached 20. A clever catch by Dolphin off Brown brought about the dismissal of R. H. T. Turner at 40, but the Keighley keeper failed to add a chance offered by A. B. Crawford from the first ball he received. The amateur subsequently scored 13 before Brown got through his defence with the total at 74. Stapleton and Armstrong looked like making a lengthy stand, and at 95 Brown was given a rest. Drake relieving him. Off the fourth ball of his first over he beat Stapleton, who retired with 20. Armstrong and the Rev. H. Staunton proved troublesome, and brought on Richardson for Drake at 129. Without any addition the professional was bowled for 15. Barnes and Staunton both played sparkling cricket—the best of the day—and the gentleman had made 32 before he played all over a delivery from Richardson with the score at 142.

Riley and Wags made little headway, and the innings, which had lasted two hours and a quarter, closed for 166. With a lead of 33 Yorkshire commenced their second venture very lamely. Losing Grimshaw without a run scored Turner joined Rudston, only to see the Hull man well taken behind

the wicket for a single, and shortly afterwards he was called, Yorkshire, with eight wickets in hand, enjoying a lead of 45.

TUESDAY'S PLAY: HOW YORKSHIRE LOST THEIR ADVANTAGE.

On Tuesday morning Turner and Richardson, by overnight not-outs, resumed before a small, steady dance. Iremonger and Riley were the bowlers, and off the first ball sent down by the former Turner was caught by Armstrong in the slips. The loss of three good wickets for 14 entirely neutralised the advantage Yorkshire had gained the previous day and laid the foundation for what proved to be an easy victory for Notts. Richardson and Oldroyd made a great attempt to improve matters and added 55 before Richardson, who had given one chance low in the slips early in his innings, was bowled by Barnes for 37, compiled in about an hour. It was early evident that the bowling of Barnes would be difficult to deal with. Drake was never comfortable with him and at 76 left without scoring. Eight runs later Booth got in front of a straight one from the same bowler, who hopelessly beat Frank while the total at 92. Oldroyd was caught out at 90 for a splendid innings of 36, compiled in a breezy style which marks him as a coming batsman. He was particularly partial to the leg side, where he frequently scored through a well-placed field. The innings soon closed after his departure, Harrison leaving at 107 and Brown at 111, the not-out batsman being Dolphin (10). Barnes bowled magnificently, and his figures, six for 51, in a ball short of fifteen overs, were the best of the match.

NOTTS SCORE RAPIDLY.

Notts were set 141 to get and had an hour's play before luncheon. Lee and Armstrong commenced scoring rapidly, causing the half-century to be hoisted in twenty-five minutes. Both were held, however. Armstrong was bowled by a good ball from Brown early in his innings, and Lee should by all means have been run out when he had scored 11, but Brown could not hold a bad return from Drake at A-over. The total had reached 50 before Richardson, relieving Brown at the Uley end, put on a defence for a clever innings of 22. With the luncheon interval was taken Iremonger and Armstrong were together with the score at 44. They carried the score to 131 when Iremonger was bowled by Richardson for a faultless 45. With only four runs needed to win Armstrong's excellent innings was terminated by Richardson at 68. Turner and Stapleton hit off the runs and the match continued an hour after luncheon. During the morning, when one of the Notts men, sprained his ankle in falling a ball driven near the boundary edge by Drake. He was medically attended to and Booth added in his place until the innings closed.

NOTES ON LOCAL GAMES.

A LEAGUE FORMED.

The combination of clubs within the Yorkshire Council to which we made reference a week ago is now an accomplished fact, though the final arrangements for the working of the league have not been decided upon. The booking of fixtures for next season is now in progress. Keighley have already secured twenty matches, the clubs settled with being Halifax, Halifax King Cross, Leeds, Skipton, Wakefield, Sheffield, Bradford, Bingley, Harrogate, and Bowling. We understand that the Bingley Club have recently given serious thought to the advisability of withdrawing from the Yorkshire Council and joining some less pretentious combination. It will be a matter of satisfaction locally that they have decided to remain in the Council. Next year, we are informed, the Bradford Club will run two first teams, one in the Council and the other in the Bradford League. One of the reasons adduced for the change was the lack of support accorded to Council matches despite the fact that up to the present the team maintains an unbeaten record.

YORKSHIRE SECOND'S HEAVY DEFEAT.

Local cricket enthusiasts could not but feel disappointed at the early termination of the Minor Counties Championship match between the Yorkshire and Nottingham Second Eleven. It is many years since the cricket loving public of Keighley had an opportunity of witnessing a first-class match at Lawholme Lane, and it was distinctly unfortunate that, when the county cricket authorities did recognize their claim, play should be restricted to a day and a half and the home team defeated by seven wickets. The somewhat abrupt termination of play on Tuesday had the effect of seriously curtailing the receipts at the gate. On Monday the amount taken at the turnstiles was £11, and on Tuesday just over £2, and the Keighley Club receive 35 per cent. of the total. There is every reason to believe, however, that had there been a full day's cricket on Tuesday the takings would have increased considerably, for large numbers were making their way to the ground when the Nottingham batsmen were scoring the few runs they required after lunch. Though far from satisfactory the attendances were by no means as discouraging as they have been at other grounds to which second eleven matches have been allocated, and we hope the County Committee will repeat the experiment. The pleasant situation of the ground and its splendid condition were the subject of much favourable comment from the members of both teams.

SOME PROMISING YOUNGSTERS.

It is unnecessary to go into details regarding the play, which is fairly described elsewhere. Yorkshire seemed to be holding a winning advantage until they opened their second innings in the closing half hour of play on Monday. The loss of two such valuable batsmen as Rudston and Grimshaw equalised matters, but still when play finished for the day Yorkshire held the respectable lead of 43 and had eight wickets in hand. It was a young bowler in the person of W. Barnes—a son of the renowned Billy Barnes of Nottingham—a great bowler in his day—who brought about their discomfiture the following morning. Going on first change at the football field end, he went through the innings, taking six of the remaining eight wickets for 31—five clean bowled and the other two bowled. The only batsman to play him with anything approaching confidence were Oldroyd—a youth of nineteen years with a delightfully free style—and Richardson, while the other batsmen showed him the face of the bat. We are inclined to believe that the Keighley wicketkeeper's contribution of ten would have been considerably augmented had there been anyone to stay with him. Nottingham made short work of the 141 required to win, the batting of Armstrong, Ironmonger, and Lee being forceful and free. They always had the measure of the bowling, and won easily by seven wickets. The only department in which they failed to realise expectations was fielding. Here Yorkshire could give them points.

A DIP INTO HISTORY.

The presence of several of Keighley's veteran players—stalwarts of the good old days—brought to mind a few interesting encounters with first-class combinations which have taken place on the grounds of the Keighley Club. There was a time—before cricket had become the serious business it is to-day—when colonial teams, county teams, or combinations of county teams would meet in friendly rivalry a side of say eighteen or twenty-two representing Keighley and the district. It is a far cry to 1866, but there are gentlemen living to-day and still keenly interested in the doings of the town club who represented Keighley and District against United All England. The match commenced on the 30th of July, and the local men scored 77 and 75 against 178 by All England. In this match Mr. Seth Waring scored 5 and 6, Mr. J. Fryer 2 and 20 not out, and Mr. R. N. Smith 0 and 1. One wonders what would happen to-day if a local side aspired to meet an eleven representing All England. A couple of years later Keighley met and defeated the Aboriginal Black Australians in a match which commenced on July 27th, 1868. On this occasion Mr. S. Waring was the highest contributor to the local totals scores of 118 and 146 with 54 and 21. The Keighley team also included Mr. Fryer and Mr. R. N. Smith, the former making 0 and 12 and the latter 10 and 22.

W. G. GRACE AT KEIGHLEY.

It was in 1871—July 15th—that a team rejoicing in the odd title of Fourteen Clowns of England played a match with eleven of Keighley. The Clowns were defeated to the extent of 179 to 59. In this match Mr. R. Sidgwick reached the half century and Mr. C. H. Foulds scored eleven. When a team voluntarily christen themselves clowns there is some excuse for Mr. Kipling's reference to flannelled fools. One of the most memorable of these odd encounters was that between the United South of England and twenty of Keighley and District played on July 31, August 1st and 2nd, 1876. The South had a strong team, including W. G. Grace, G. F. Grace, H. Lillywhite, and W. Jess. The twenty scored 216, of which S. Haggas claimed 22, C. H. Foulds 54, and S. Waring 4. W. G. Grace hit up 20 out of 61 in the first innings and 73 out of 136 in the second. The match was drawn in favour of the local

men. The following year saw an eleven of Surrey and Sussex opposing eighteen of Keighley, and once again the town side had the best of matters, scoring 279 and dismissing their visitors for 111 and 94. S. Haggas was top scorer on the local side with 87, and among other players were C. H. Foulds, R. Barrett, R. N. Smith, J. Anderson, S. Waring, and C. Jeffrey.

SPOFFORTH'S BOWLING PERFORMANCES AT KEIGHLEY.

Then came the Australians, who, on July 29, 30, and 31, 1878, opposed eighteen of Keighley and District, whose team included R. N. Smith, G. Butterfield, R. Sidgwick, C. H. Foulds, S. Waring, R. Barrett, J. Anderson, and J. Driver. The Colonials put on 206 in the first innings, and then Spofforth, taking eight for 59, was mainly instrumental in dismissing the locals for 104 in the first innings. Their second venture was an improvement—133—but the Australians won by seven wickets. Nottingham paid a visit in 1879, and on July 23, 24, and 30 played a match with eighteen of Keighley. The County, scoring only 56 and 123, were defeated by thirteen wickets. Among the local players were S. Driver, G. Butterfield, C. H. Foulds, W. H. Bower, W. Farry—now chairman of the Skipton District Council—S. Waring, R. N. Smith, J. Anderson, and J. Emmott. The last match of this kind was played in 1880 between the Australians and eighteen of Keighley and District, and it was curtailed to two days by rain—June 1st and 2nd. Though the match was drawn, Spofforth performed great feats with the ball, taking eight for 46 in the first innings and seven for 45 in the second. In this match the Keighley team included S. Haggas, S. Driver, G. Butterfield, W. Farry, R. N. Smith, C. H. Foulds, R. Barrett, W. H. Bower, W. R. Atkinson, S. Waring, and J. Wild. Local cricket would be none the worse for a few such games nowadays.

KEIGHLEY'S BRILLIANT VICTORY OVER HARRGATE.

It is some time since Keighley gave such a brilliant all-round display as that which resulted in their handsome victory over Harrogate at Lawholme Lane on Saturday. To put it shortly Keighley completely collared the bowling, hit up 242 in two hours and a-half, and dismissing their opponents for 73 won by 169 runs with half an hour to spare. This is indeed a remarkably fine performance; much better than anything we have previously seen this season, and will go a long way to substantiate the claim which has been put forward on more than one occasion that Keighley are one of the strongest teams in the Yorkshire Council. On Saturday's form they were undoubtedly equal to any team playing club cricket in the county of broad acres. Let us hope their form will be maintained throughout the heavy Feast programme, which commences to-day (Saturday). So far the season has been anything but satisfactory from a financial standpoint, and those responsible for the club's wellbeing are hoping to have a burden of care lifted from their shoulders by some bumping gates during the holidays.

MOORHOUSE AND MORLEY SCORE RAPIDLY.

But to return to Saturday's match. Keighley placed a strong side in the field, the only alteration from that which figured in the match at Park Avenue the previous week being the substitution of Hyndson for Anderson. Foulds won the toss, and on an easy wicket commenced the batting with Moulton. The start was by no means promising, for with the fifth ball of Drake's first over the Skiptonian played one back to the Yorkshire colt and retired without opening his account. Morley has performed so well of late that we were pleased to see his promotion in the batting list. He filled the gap, but lost Foulds with the total at 14, the skipper, who had batted twenty minutes for 6, retiring to a good catch by Dunnington at point off Drake. Moorhouse and Morley now became associated in a partnership which carried the score from 14 to 110. Both batsmen played delightful cricket, and it was distinctly unfortunate that Morley should be run out when he had scored 55 by faultless play. Sellers joined Moorhouse, and in a quarter of an hour rattled up 50, when he was well taken in the country by Kirby, off Drake.

HYNDSON AGAIN SCORES WELL.

Moorhouse was next out, with the total at 163. Drake taking him low in the slips off Hurst when he was six past the half-century. Though the ex-Bowling Old Lane amateur had a life at short-leg when 22, his innings was the best he has played this year. Hyndson and Riley added 27, when the latter was bowled by Drake, and four runs later the youngster, who had contributed 24 in delightful style, and looked good for many more, was foolishly run out by Judson, who, singularly enough, was bowled almost immediately afterwards without scoring. Wildman and Dolphin carried the score to 226, when the keeper, who had had a lucky stay of twenty minutes, was bowled by Hurst, and Patefield added 11 before he was well caught by Brumley at cover off Hurst. Wildman carried on his bat for 24. It was a sorry afternoon for the Harrogate vandals. J. F. Hurst came out with steady the best average, claiming three for 50, but the brunt of the attack was borne by Drake, who sent down twenty-six overs for 112 runs and five wickets. Four other bowlers were used without success.

RILEY SKITTLES THE HARROGATE BATSMEN.

Little can be said of the Harrogate innings. Redfern and Lund made a steady opening against Riley and Patchfield, and 24 were on the board before Judson took Redfern beautifully in the slips off Riley for 15. Geoff. Tattersall stayed twenty minutes for 10, when Patchfield brought about his dismissal by accepting a chance off Riley at second slip with the score at 46. Nine runs later Lund, who had batted patiently for an hour, was run out for 23. This was the beginning of the end, the remaining seven wickets falling for the addition of only 19 runs. The run commenced when Riley bowled Drake—who had been at the wickets a quarter of an hour for three—with the total at 55. For the addition of a single Dunnington has his middle wicket uprooted by Patchfield, the first ball he received, and six runs later a similar fate befell C. J. Addyman, who also failed to score. Kirby, who stayed twenty minutes for 10, was next to leave. Sellers taking a hot chance at mid-off, Riley being the bowler. Bramley failed hopelessly when opposed to the same trundler, and left at 88; Hurst followed five runs later—Riley uprooting his middle wicket—while without any addition Dunnington was similarly disposed of. Patchfield and Kirby bowled unchanged. The latter came out with the magnificent figures of seven for 24, and Patchfield's couple cost him 44. Riley has seldom bowled better, and the value of his performance is enhanced when it is remembered that the wicket rendered him little if any assistance.

BINGLEY DRAW AGAINST DEWSBURY.

Bingley went to Dewsbury on Saturday with a different eleven to that which usually represents them, the captain, Leach, and Hanson Bailey, of the previous week's eleven, all being unable to make the journey. To fill up the vacancies it was necessary to call upon several players from the second eleven, including Tetley and Paget, and room was found in the eleven for J. Holmes, who, it is said, has returned to Bingley from Oldham, where he went at the beginning of last season, and he will thus now be able to assist his old club. The fixture was a new one to Bingley, at any rate it must be many years since Bingley played Dewsbury before, if ever, and although the result was a draw, under the circumstances the eleven can be said to have done well. Dewsbury put on a score of 174 for seven wickets, and for this three men were almost entirely responsible. Oldroyd, the Yorkshire second eleven player, making 60. Haley 50, and C. A. Midgley 30. To this Bingley responded with 129 for five wickets, and their score presents a rather curious appearance. Four of the seven men who went to the wickets scored double figures, and the other three made singles each, the three being Widdop, Tetley, and Paget. G. P. Ackroyd again played a very good innings, this time of 31, and Mellor ran into double figures with 22, his second highest score for Bingley this season. Afterwards Duffield and Collier played out time, each being 32 not out at the close, the score being taken by this partnership from 73 to 122. Each of them played a very attractive innings and it almost looks as if some of the members of the eleven at any rate are getting into better form at last.

BINGLEY JUNIORS DRAW.

Only one junior eleven was playing on Saturday, and in their case the game resulted in a draw. Their opponents were Great Horton Wesleyans, who scored 151, to which Bingley replied with 31 for five wickets, H. Wilson being top scorer for the home side with 31.

SILSDEN LOSE AT YEADON.

Though defeated on Saturday at Yeadon by three wickets, Silsden still retain their position at the head of the Airedale and Wharfedale League. Silsden's display was a disappointing one. They only recorded the moderate total of 60, the principal contributors to which were Roberts (15), Wilkinson (15), and Russell and Lambert 10 each. Four batsmen were given out, but the Silsden men were far from satisfied with some of the decisions. Brown was the best of the Yeadon bowlers. On going in to bat the home team found runs difficult to obtain, and lost seven wickets in reaching 32, of which H. Smith scored 17, E. Hanson 13, and W. Farrington 10. Shackleton, who went on to bowl late in the innings, secured two wickets for 10 runs. Robinson and Wilkinson divided the remaining five between them.

INGROW EASILY DEFEAT RIBblesDEN.

Ingrow gained an easy victory over Ribblesden in their West Bradford League fixture on Saturday. Though at home Ribblesden could only score 47, Simpson and Hill bowled uncommonly well, Tetley and Hardisty were the only double figure contributors on the side. Ingrow hit off the runs for the loss of four wickets, Hudson and Whitnouse being the principal scorers. The only other match played in this League on Saturday was between Oxenhope and Mountain Mills. Thanks mainly to a useful innings of 45 by F. W. Maude, Oxenhope set Mountain 117 to get to win. Hoop, Bennett, Kemp, and Parkinson scored well, but they were 15 short of the required total when the last wicket fell.

SKIPTON AND DISTRICT LEAGUE.

The small scores compiled by the majority of the League teams on Saturday have occasioned much surprise in League circles. In no case was a first

innings score of 50 made, and the majority of the bowlers improved their averages considerably. Cowling and Embasy maintained their respective positions as leaders and runners-up of the senior division by eight and nine wickets victories respectively. The opposition in each case was weak, for Kildwick Parish Second, who were at home to Cowling, made 19, and Glashburn Institute scored 37 at Embasy. Both Cononley and Early Second picked weak teams in the field for their encounter, but the Cononleyites, who seem to have fallen to pieces of late, sustained their third successive defeat. Early won easily by eight wickets. The upholders were another club with an easy task, for they tumbled Eastburn out for 55, and afterwards wiped off the arrears for the loss of three wickets. In the junior division Kildwick Albion Second were surprised to find themselves beaten by three wickets at Cowling. Embasy Second won by 19 runs when opposed to Glashburn Institute Second, and Bradley Second gained a seven wickets victory over Eastburn Second.

SILSDEN WORKSHOPS FINAL.

The final match in the Silsden Workshops Competition was played on Monday and Tuesday evenings between Walton's team and Newton's team. On Monday Walton's team scored 53, and against this total Newton's were only able to make 30 on Tuesday. Subsequently Mr. J. I. Stocks presented the "Frank Driver" Challenge Cup to the winning team, together with gold-coloured silver medals, remarking that it gave him special pleasure to do so, seeing the winners had had hard lines in not being in the same position last year, when they were beaten by only six runs by Fletcher's team. Mr. Alfred Shuttleworth (captain) responded for Walton's team. The proceedings were presided over by Mr. Albert Coates.

SKIPTON AND DISTRICT LEAGUE.

A special meeting to the clubs' delegates connected with the junior division of the Skipton and District League was held at the Ship Hotel, Skipton, on Tuesday evening for the purpose of considering objections. Mr. Walker Blades (Bradley) presided. The first objection to be heard was that of the Cononley Club, who claimed full points for their second eleven's game with Cowling Second, at Cowling on July 3rd. The ground of the claim was that ten minutes alleged to have been lost at the start was not made up at the finish. When stumps were drawn the game was greatly in Cononley's favour, as they held a lead of 56 runs, and the last two Cowling batsmen were at the wickets. The evidence was very conflicting, and the committee came to the conclusion that it would be the fairest way to count the match as a drawn game. Kildwick Albion Second and Embay Second figured in a protest, lodged by the former, on the ground that Embay had allowed a non-registered umpire to act for them without Kildwick's consent. Peculiar circumstances surrounded the case by reason of the match owing to some alleged unfair decisions on the part of Embay's umpire. Embay's delegate admitted the umpire in question was not a qualified League umpire, but explained that his club had great difficulty in obtaining an umpire that day. A letter was also read from Embay's secretary complaining of Kildwick's unsportsmanlike action in leaving the field. After discussion Embay had one point deducted for breach of rule, but the match was awarded them on account of the Kildwick team's action in leaving the field.

DOUBLE HONOURS FOR YEADON CLUB.

The final games in the Alredale and Wharfedale League were played, and the defeat of Baildon Green Second by Guiseley gives the junior championship to the Yeadon Club's second string, who have secured 23 points out of a possible 32, against Baildon Green's 22. This is the third year in succession the League's silver medals have been won by Yeadon Second, and as the senior championship has also been won by Yeadon, that club once more carries off double honours.

CRICKET.

NOTES.

The cricket season has fizzled out miserably, which means that it has been true to the character it has shown all the summer. All the summer, did we say? We apologise, and lay the blame on force of habit, which led us to inadvertently associate the cricket season with summer. Summer! Why, we have nearly forgotten what the word means, and certainly the year 1908 has taken care to prevent practical experience refreshing the memory. What 1910 may have in store we must wait and see, but if it conducts itself no better than 1909 has done, there'll be nothing for it but a general election and an appeal to the country.

Unfortunately, we are afraid that there is little in the season's record of the Ossett Cricket Club in the shape of compensation for the absence of summer. They have done worse than in any of the four years that they have been party to the Yorkshire Council. They are as low as the twelfth in the table; they have won only five matches out of their programme of 26; they have lost three and drawn the rest (including those not played); they have not won the cup—they did not even survive their first match; and financially the season has been thoroughly disappointing—big expense and a less income. It is in relation to the expense that the season is unsatisfactory. An eleven which includes five paid players with a wage bill probably not exceeded by any other club in the Yorkshire Council, and not even approached by the majority, might not unreasonably be expected to show better results. It is unfortunately the case nowadays that if one would have a strong cricket eleven one must be prepared to pay for it, but wickets at something like a pound apiece and runs at a shilling is paying for cricket with indeed a generous hand. Whether the Ossett club can afford it or not is a matter of opinion, and the opinion of the committee is apparently that it can. Whether this policy has been justified by results is less open to contention.

The big wage bill apart, there would be much less room to grumble about the club's position. There are more lower in the Yorkshire Council than higher. They are on a higher rung of the ladder than Hull, Leeds, Skipton (last year's champions), Wakefield, York, Harrogate, etc. but they are a long way below the top—the point at which they have been aiming for the last two or three seasons, and which they nearly reached last year, when they were second, with 85.71 per cent. What is the reason for the drop this season to twelfth with 25 per cent? Last year Ossett scored 4,567 runs for 201 wickets, an average of 22½ per wicket. Their opponents scored 3,577 for 250 wickets, or a shade over 14 per wicket. That superiority has dwindled down to the disappearing point. This season Ossett's aggregate score is 3,035 for 169 wickets, an average of 17.95, while their opponents have scored 2,734 for 159 wickets, average 17.19. The decrease in the scoring reflects the sort of summer it has been, but for Ossett's less satisfactory relative position some other cause must be sought. On paper the eleven is quite as good as last year's, if not a little better; actual play has proved paper form to be too flattering. Last season the eleven played on the very top of their form; this season the pendulum has swung a little bit the other way. The batting has been less reliable, less confident and far less resourceful. Batting wickets, it must be remembered, have been the exception rather than the rule, and have favoured the bowling department more than the batsmen, which points to a falling away in the effectiveness of the attack. This is, in fact, what has taken place. Pepall, though taking a couple fewer wickets, comes out with a cheaper cost of 13.12, against 16.42. With the bat, however, he has been much less successful, averaging only 13 against 19. Radley has not bowled with nearly the same success. Two seasons ago he captured 100 wickets very cheaply. His last season's bag was 97 for 13 runs apiece. This season he has had to be content with 59 wickets for about 15½ each. But Radley has bowled with such great success for so many years that he has got people into the way of expecting him to keep it up for ever, besides performing the heavy work of groundsman.

During the four years Ossett have been in the Yorkshire Council their record has been:—

	Won.	Lost.	Runs.	Wkts.	Aver.
1906	11	1	2644	162	16.32
1907	9	4	2977	166	17.94
1908	13	1	4567	201	22.72
1909	5	3	3037	169	17.95

The scores of their opponents have been:—

	Runs.	Wkts.	Aver.
1906	2739	226	12.07
1907	2522	241	10.46
1908	3677	250	14.30
1909	2734	159	17.19

Turning to the individual players, the batting of A. F. Glover has been one of the best features. For a cricketer who has played consistently for a quarter of a century, an average of 34.6 per innings is an excellent record, and, moreover, proves that in a season when table-top wickets are uncommon soundness and correctness of style are worth a good deal more than the take-the-risk, knock-the-cover-off batting which the crowd dearly loves to see. H. Denton began the season well, but unfortunately more important calls were made upon him, and cricket had to take the second place. Still he has a batting average of 26.12, and his 23 wickets have cost nearly 22 runs each, which is much worse than last year, when he topped both batting and bowling averages. G. Pollitt, thanks to a big innings of 118, and another over 60, made on good wickets, comes next with 22.95, and Whitehead, though for the greater part of the season in consistently bad form, retrieved his position by scoring 79 not out against Morley in the cup-tie, when almost everybody else failed, and has an average of over 20. H. Giggall began well, but failed to keep it up, being quite out of luck during the last seven or eight matches, during which his average came lower and lower until it reached 16.71. F. Armitage has hardly fulfilled the hopes that were centred in him, but should make a batsman yet, and there are possibilities in G. Mitchell, whose motto should be, "Practice, practice, practice."

So Birstall are the winners of the Heavy Woollen Cup. They are to be doubly congratulated, for at the commencement of the competition the man who would have prophesied that Birstall would carry off the honours would have run the risk of being regarded as a lunatic. But the character of cricket is proverbially unstable, and there is never any telling what is going to happen. What a remarkable competition it has been this year, and how the prophets have been confounded! First Ossett's debacle against Morley, then Morley's feebleness against Dewsbury and Savile, and in turn the routing of Dewsbury and Savile by Hopton Mills, all capped by Birstall's ten wickets' victory over Hopton Mills. If one could only reckon up form by results, how many degrees worse than Birstall would this record prove Ossett to be! And who would accept the conclusion to which this line of argument would lead? No-one in Ossett, and very few in Birstall.

HEAVY WOOLLEN DISTRICT CUP.

Final.

The final tie for the Heavy Woollen Cup was concluded at Savile Town on Tuesday, and resulted in Birstall carrying off the trophy, Hopton Mills being defeated without the loss of a wicket. The match was commenced last Saturday, after having been postponed from the previous week, but only an hour's play was possible. During the time Hopton scored forty runs for the loss of four wickets. Hopton resumed their innings on Tuesday, and took their total to 76, which score Joe Auty and Harry Russell, for Birstall, topped unaided. At the conclusion of the match the cup was handed to the captain of the winning team, Mr. J. Farrar, by Mr. J. E. Glover (Ossett), chairman of the Cup Competition Committee.
