Storrington winning by 14 runs.

Mr. Osbaldeston in his second innings got all his runs by singles, a curious fact, as he was a slashing hitter.

The above match was copied from a score paper sent to the Compiler, to which he gave preference over Bentley's book, in which Howard in his first innings is b Beldham. In the second innings of Storrington, Robinson is b Beldham, Hammond is b Lambert, and Harding is b Lambert. In the second innings of Sussex, Beldham is c Howard, Cumberland is b Howard, Lindupp is c Pain, Grant is not out, and Blackman is b Walker.
